Atlas of Cacti

1st Edition

Created by Dino Osmich

Presented 710 species

May 2006. Tuzla, Bosnia & Herzegovina

This book is free of charge! Not for resale!

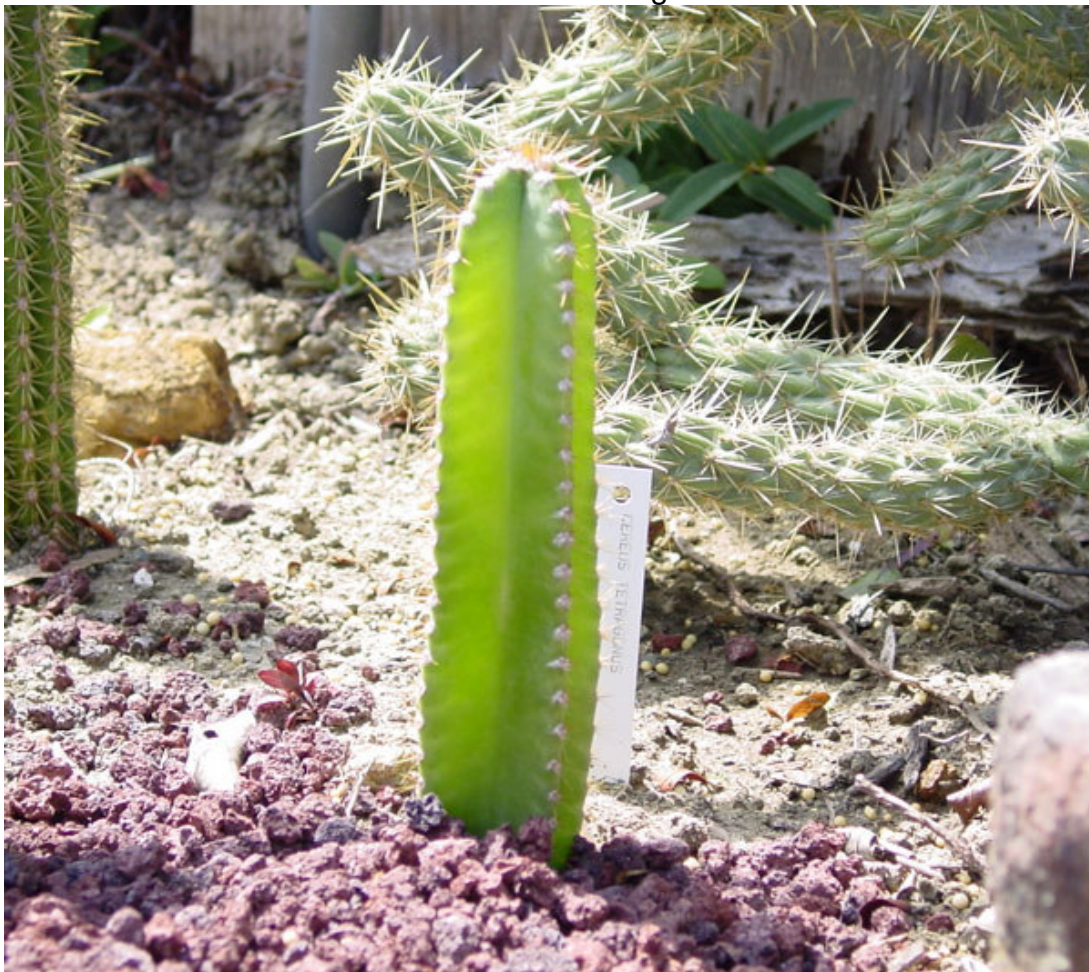

Acanthocalycium klimpelianum

Acanthocalycium spiniflorum

Acanthocereus tetragonus

Acanthocereus occidentalis

Acharagma aguirreana

Ariocarpus agavoides

Ariocarpus fissuratus

Ariocarpus kotschoubeyanus

Ariocarpus retusus

Ariocarpus scaphiostriis

Arrojadoa dinae

Arrojadoa rhodantha

Arthrocereus rondonianus

Astrophytum asterias

Astrophytum capricorne

Astrophytum myriostigma

Astrophytum ornatum

Austrocylindropuntia cylindrica

Austrocylindropuntia pachypus

Austrocylindropuntia shaferi

Austrocyllindropuntia subulata

Austrocyllindropuntia verschaffeltii

Aztekium hintonii

Aztekium ritteri

Bergerocactus emoryi

Blossfeldia liliputana

Brasiliopuntia brasiliensis

Browningia hertlingiana

Browningia pilleifera

Carnegiea gigantea

Cephalocereus apicephalum

Cephalocereus columna-trajani

Cephalocereus glaucochrous

Cephalocereus senilis

Cephalocleistocactus chrysocephalus

Cereus aethiops

Cereus fricii

Cereus hildmannianus

Cereus horribarbis

Cereus huilunchu

Cereus obtusus

Cereus repandus

Cereus validus

Cereus vargasianus

Cintia knizei

Cleistocactus baumannii

Cleistocactus candelilla

Cleistocactus depends

Cleistocactus fieldianus

Cleistocactus hildegardiae

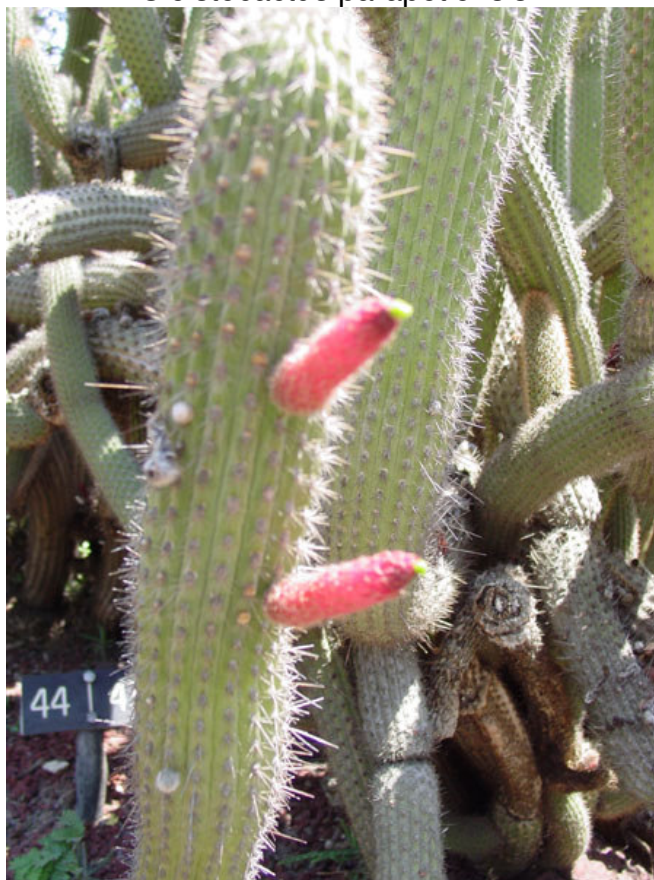

Cleistocactus hyalacanthus

Cleistocactus icosagonus

Cleistocactus parapetiensis

Cleistocactus reae

Cleistocactus samaipatanus

Cleistocactus sepium

Cleistocactus serpens

Cleistocactus sextonianus

Cleistocactus smaragdiflorus

Cleistocactus strausii

Cleistocactus tarijensis

Cleistocactus tominensis

Cleistocactus winteri

Cochemiea halei

Cochemiea pondii

Cochemiea poselgeri

Cochemiea setispina

Coleocephalocereus aureus

Coleocephalocereus pluricostatus

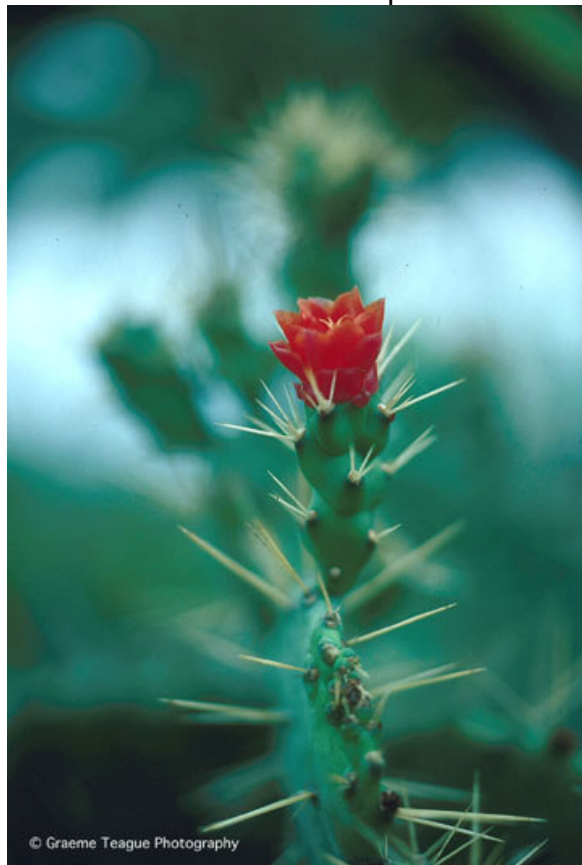

Coleocephalocereus purpureus

Consolea millspaughii

Consolea nashii subsp. *Nashii*

Consolea picardae

Copiapoa bridgesii

Copiapoa calderana

Copiapoa cinerascens

Copiapoa cinerea

Copiapoa coquimbana

Copiapoa echinoides

Copiapoa esmeraldana

Copiapoa fiedleriana

Copiapoa grandiflora

Copiapoa haseltoniana

Copiapoa humilis

Copiapoa hypogaea

Copiapoa krainziana

Copiapoa laui

Copiapoa malletiana

Copiapoa marginata

Copiapoa mollicula

Copiapoa multicolor

Copiapoa solaris

Copiapoa taltalensis

Copiapoa tenuissima

Copiapoa tigrillensis

Corryocactus melanotrichus

Corryocactus quadrangularis

Coryphantha calipensis

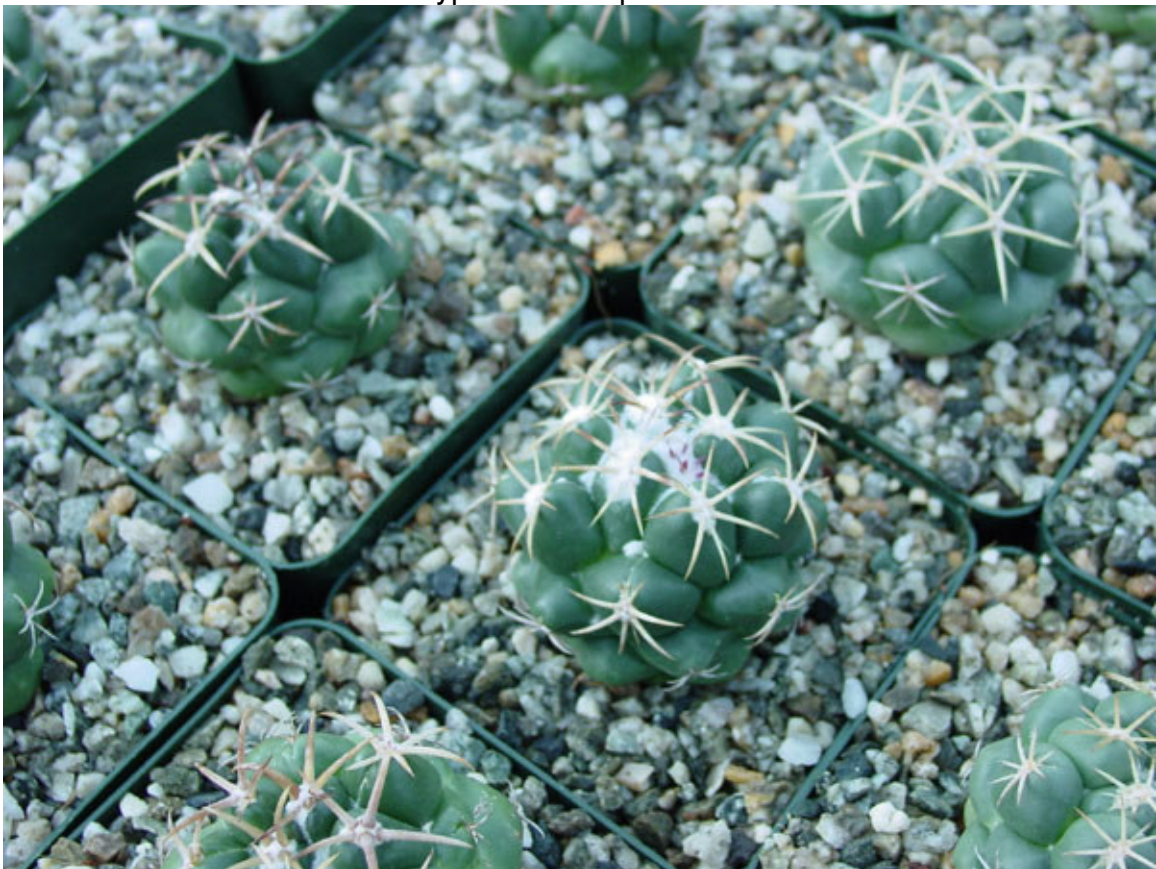

Coryphantha compacta

Coryphantha durangensis

Coryphantha elephantidens

Coryphantha erecta

Coryphantha macromeris

Coryphantha octacantha

Coryphantha pulleineana

Coryphantha pycnacantha

Coryphantha radians

Coryphantha recurvata

Coryphantha reduncispina

Coryphantha retusa

Cumulopuntia pentlandii

Cumulopuntia sphaerica

Cylindropuntia acanthocarpa

Cylindropuntia arbuscula

Cylindropuntia bigelovii

Cylindropuntia californica

Cylindropuntia caribaea

Cylindropuntia cholla

Cylindropuntia echinocarpa

Cylindropuntia fulgida

Cylindropuntia imbricata

Cylindropuntia kleiniae

Cylindropuntia leptocaulis

Cylindropuntia molesta

Cylindropuntia prolifera

Cylindropuntia ramosissima

Cylindropuntia spinosior

Cylindropuntia thurberi

Cylindropuntia x kelvinensis

Cylindropuntia x multigeniculata

Cylindropuntia tesajo

Cylindropuntia versicolor

Cylindropuntia species

Dendrocereus nudiflorus

Denmoza rhodacantha

Discocactus heptacanthus

Discocactus horstii

Discocactus placentiformis

Discocactus zehntneri

Disocactus ackermannii

Disocactus flagelliformis

Echinocactus grusonii

Echinocactus platyacanthus

Echinocactus polycephalus

Echinocactus texensis

Echinocereus barthelowanus

Echinocereus boyce-thompsonii

Echinocereus brandegeei

Echinocereus cinerascens

Echinocereus coccineus

Echinocereus dasyacanthus

Echinocereus engelmannii

Echinocereus enneacanthus

Echinocereus fasciculatus

Echinocereus ferreirianus

Echinocereus grandis

Echinocereus knippelianus

Echinocereus longisetus

Echinocereus mojavenis

Echinocereus nicholii

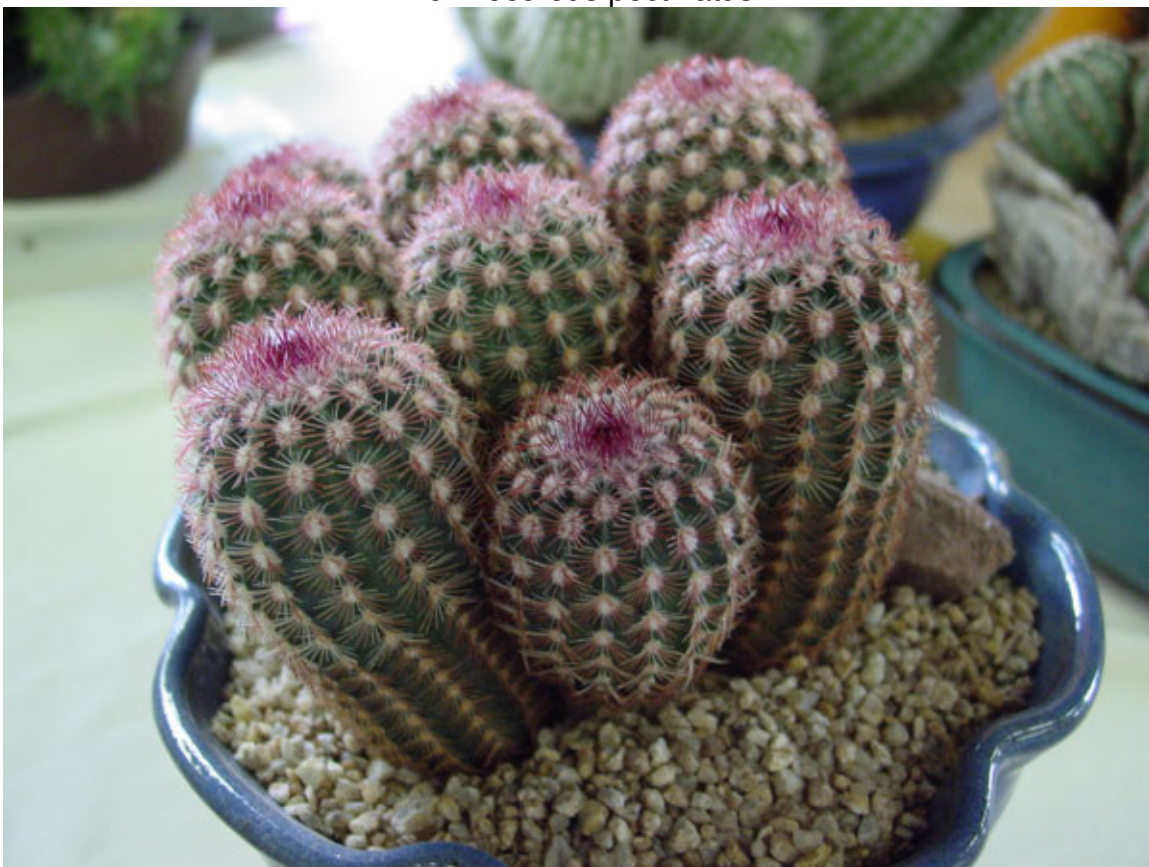

Echinocereus nivosus

Echinocereus parkeri

Echinocereus pectinatus

Echinocereus peninsilis

Echinocereus pentalophus

Echinocereus polyacanthus subsp. *Huitcholensis*

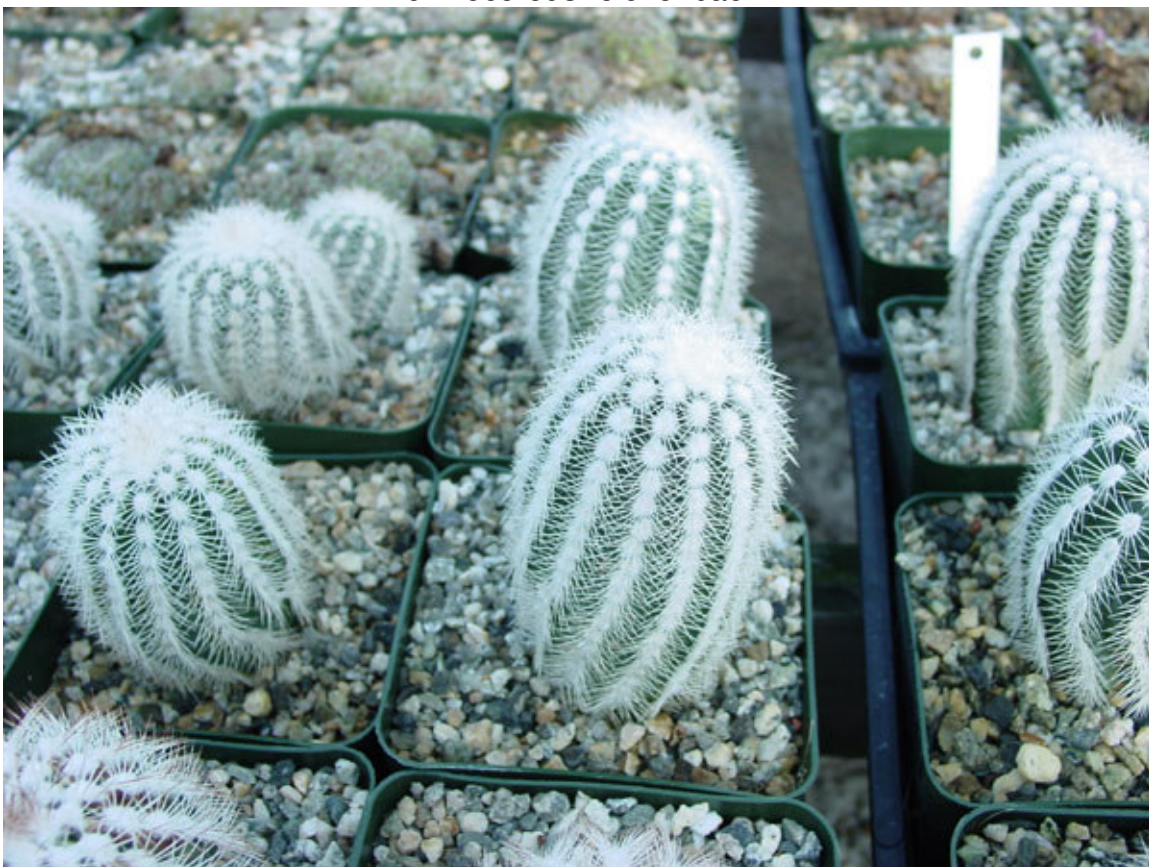

Echinocereus polyacanthus subsp. *Pacificus*

Echinocereus pulchellus

Echinocereus reichenbachii

Echinocereus rigidissimus

Echinocereus russanthus

Echinocereus scheeri

Echinocereus schmollii

Echinocereus sciurus

Echinocereus stoloniferus

Echinocereus stramineus

Echinocereus subinermis

Echinocereus triglochidiatus

Echinocereus viereckii

Echinocereus viereckii subsp. *Morricalii*

Echinocereus viridiflorus

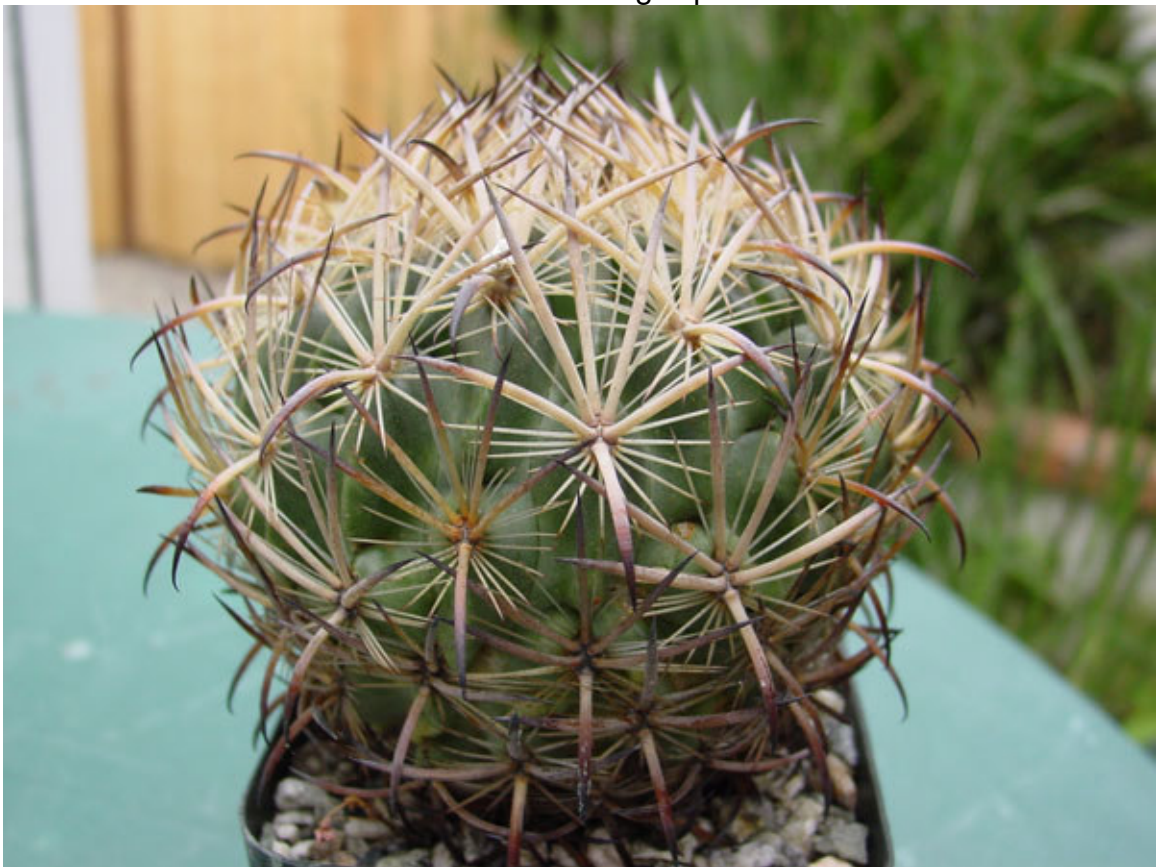

Echinocereus websterianus

Echinomastus intertextus

Echinomastus unguispinus

Echinopsis ancistrophora

Echinopsis arboricola

Echinopsis atacamensis

Echinopsis aurea

Echinopsis backebergii

Echinopsis bruchii

Echinopsis calochlora

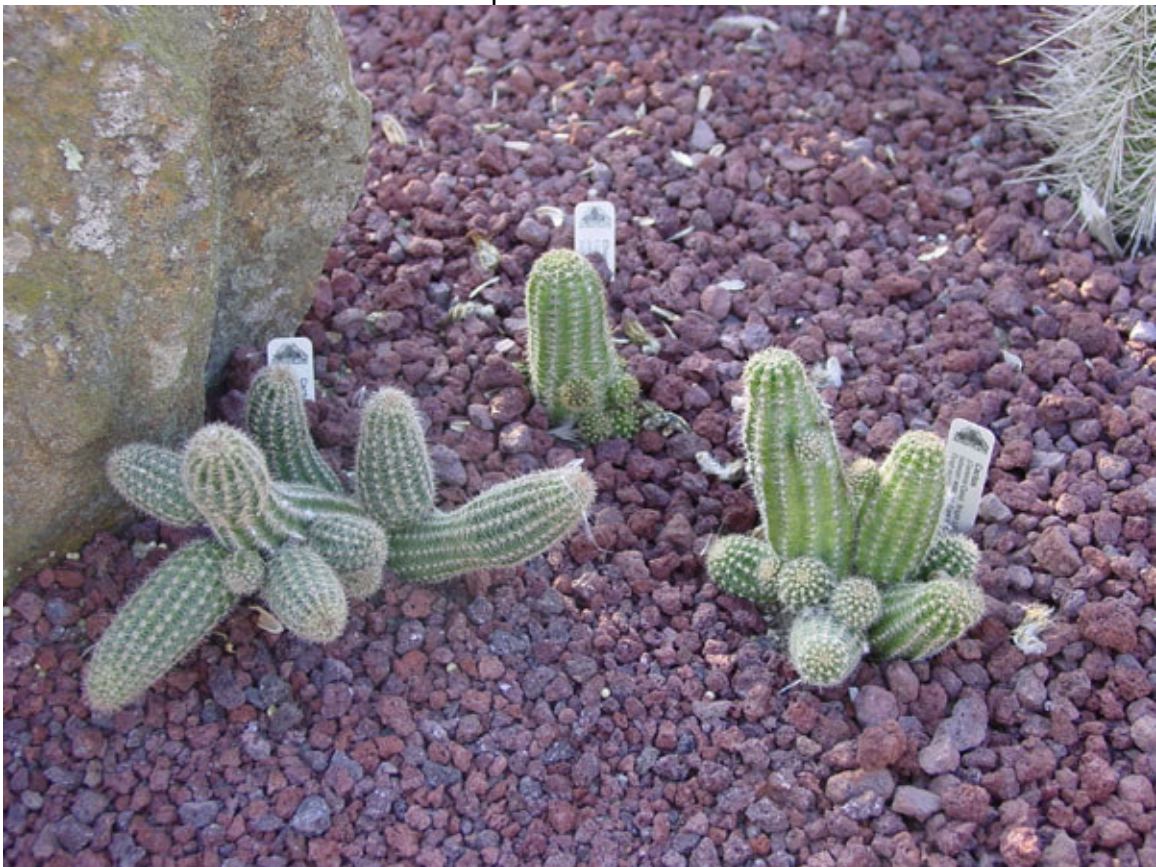

Echinopsis camarguensis

Echinopsis candicans

Echinopsis chamaecereus

Echinopsis chiloensis

Echinopsis chrysochete

Echinopsis cinnabarina

Echinopsis comarapana

Echinopsis densispina

Echinopsis echinobivia

Echinopsis eyriesii

Echinopsis famatimensis

Echinopsis glauca

Echinopsis glaucina

Echinopsis haematantha

Echinopsis huanucoensis

Echinopsis huascha

Echinopsis huottii

Echinopsis hybrid

Echinopsis lamprochlora

Echinopsis leucantha

Echinopsis litoralis

Echinopsis mamillosa

Echinopsis marsoneri

Echinopsis obrepanda

Echinopsis oxygona

Echinopsis pachanoi

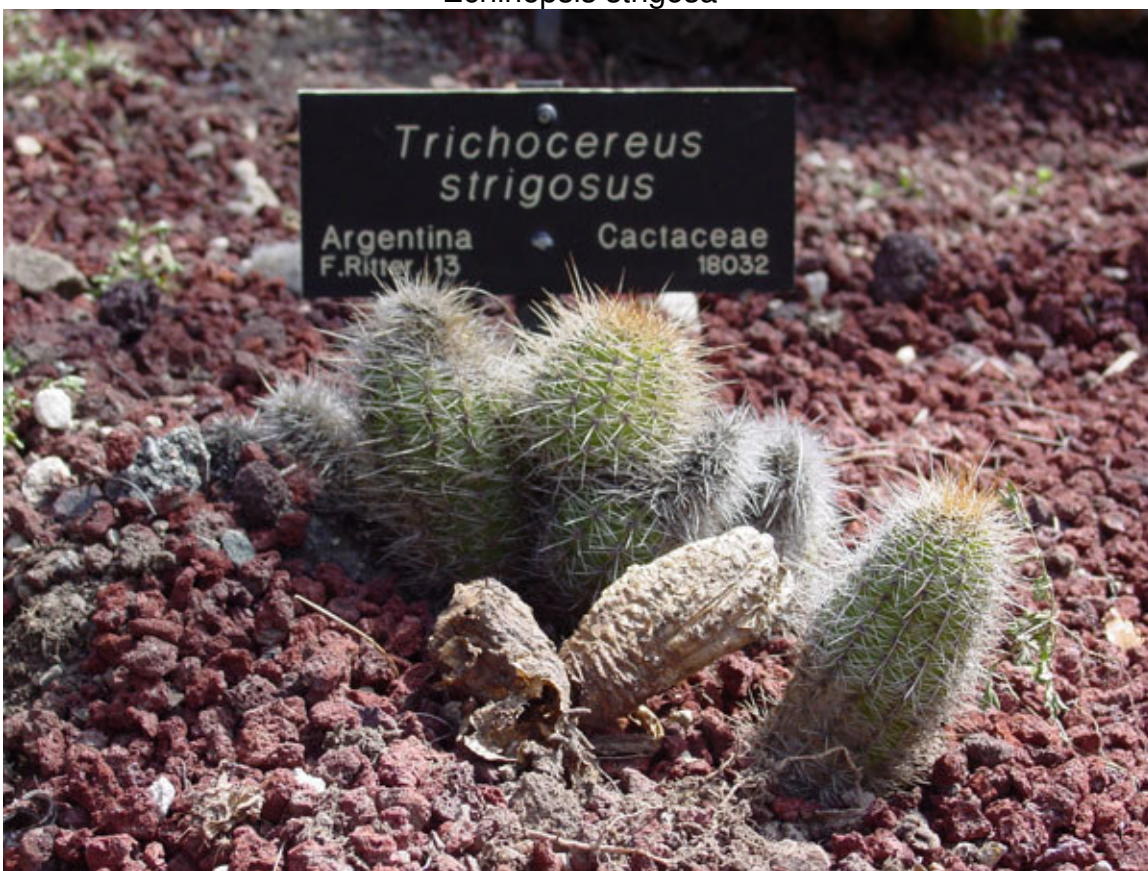

Echinopsis robinsoniana

Echinopsis spachiana

Echinopsis strigosa

Echinopsis subdenudata

Echinopsis tacaquirensis

Echinopsis terscheckii

Echinopsis thelegona

Echinopsis tunariensis

Epiphyllum anguliger

Epiphyllum crenatum

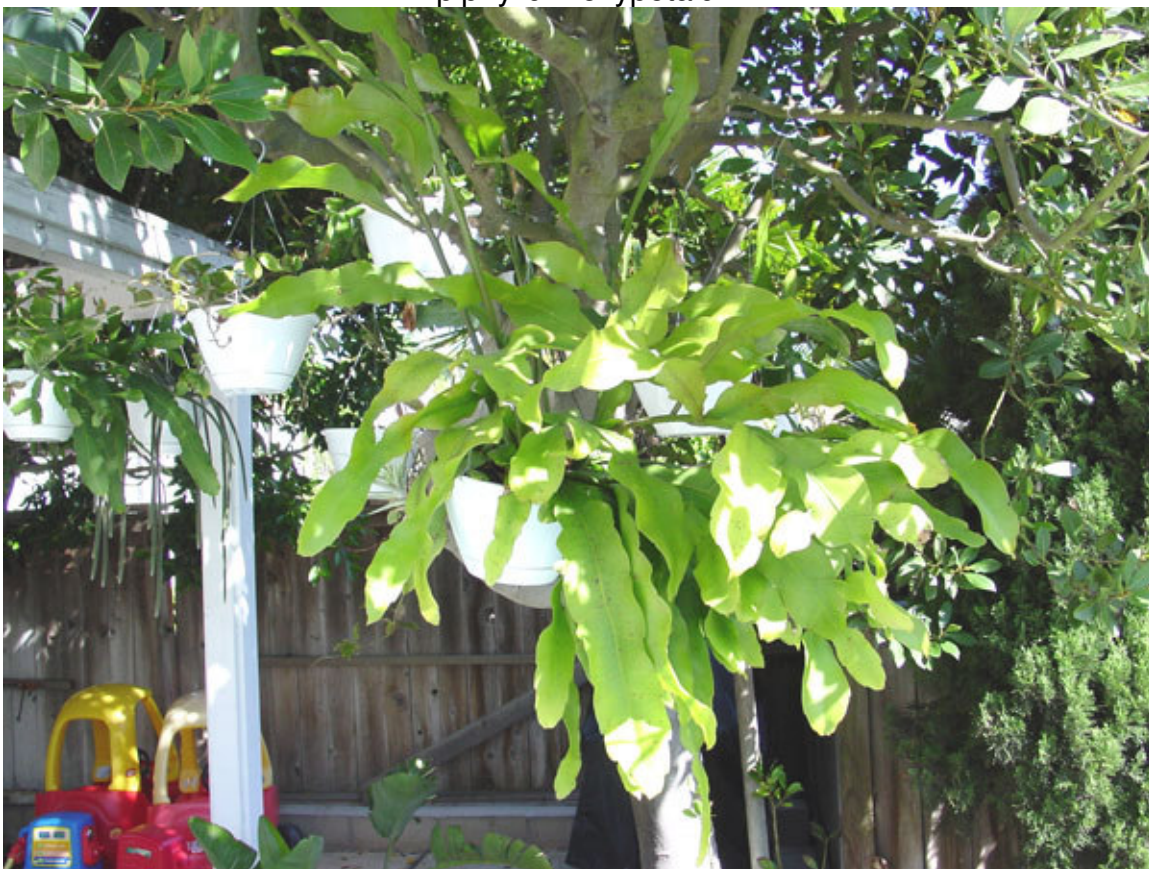

Epiphyllum guatemalense

Epiphyllum hookeri

Epiphyllum oxypetalum

Epithelantha micromeris

Epithelantha micromeris subsp. *Unguispina*

Eriosyce aerocarpa

Eriosyce aspillagae

Eriosyce aurata

Eriosyce bulbocalyx

Eriosyce chilensis

Eriosyce crista

Eriosyce crispa var. *Flocossa*

Eriosyce crispa var. *Huascensis*

Eriosyce curvispina

Eriosyce esmeraldana

Eriosyce heinrichiana

Eriosyce krausii

Eriosyce kunzei

Eriosyce limariensis

Eriosyce marksiana

Eriosyce napina

Eriosyce occulta

Eriosyce recondita

Eriosyce senilis

Eriosyce senilis subsp. *Coimasensis*

Eriosyce subgibbosa

Eriosyce taltalensis

Eriosyce villosa

Escobaria alversonii

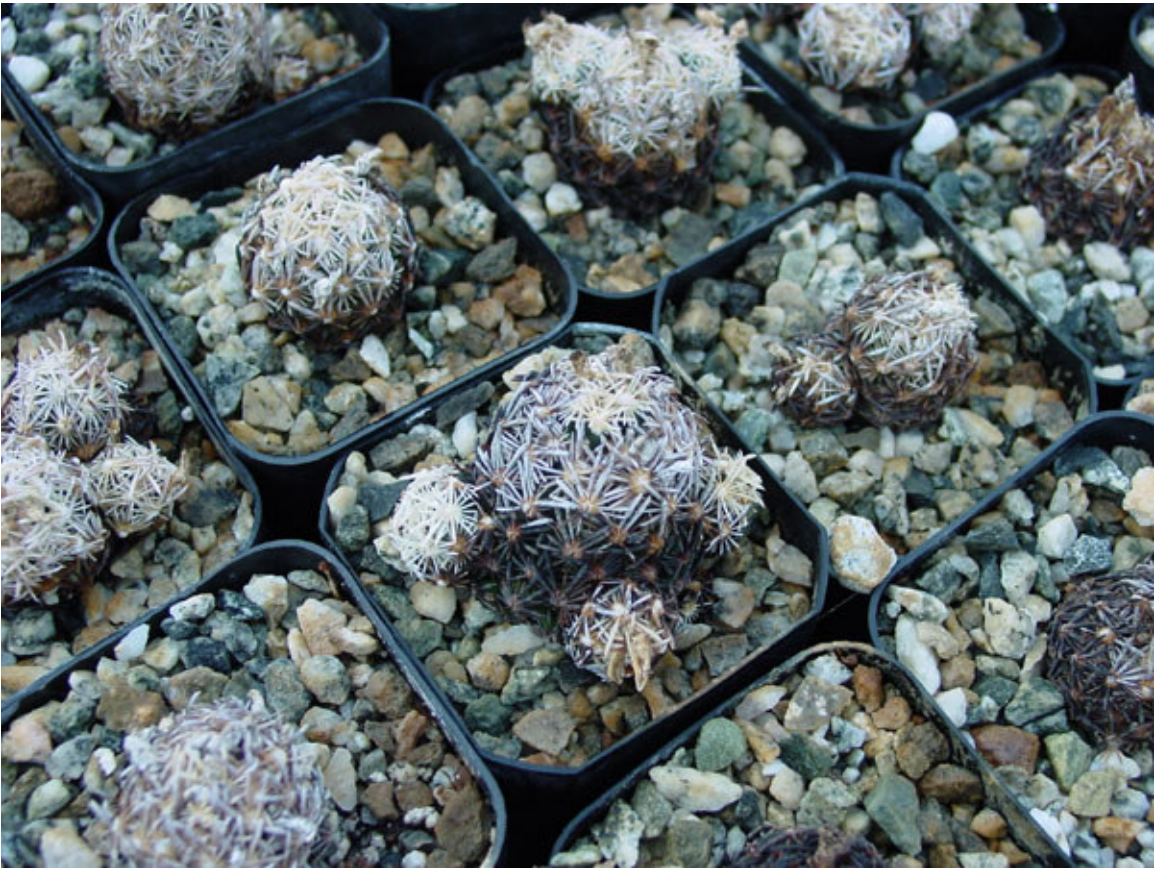

Escobaria chihuahuensis subsp. *Henricksonii*

Escobaria hesteri

Escobaria minima

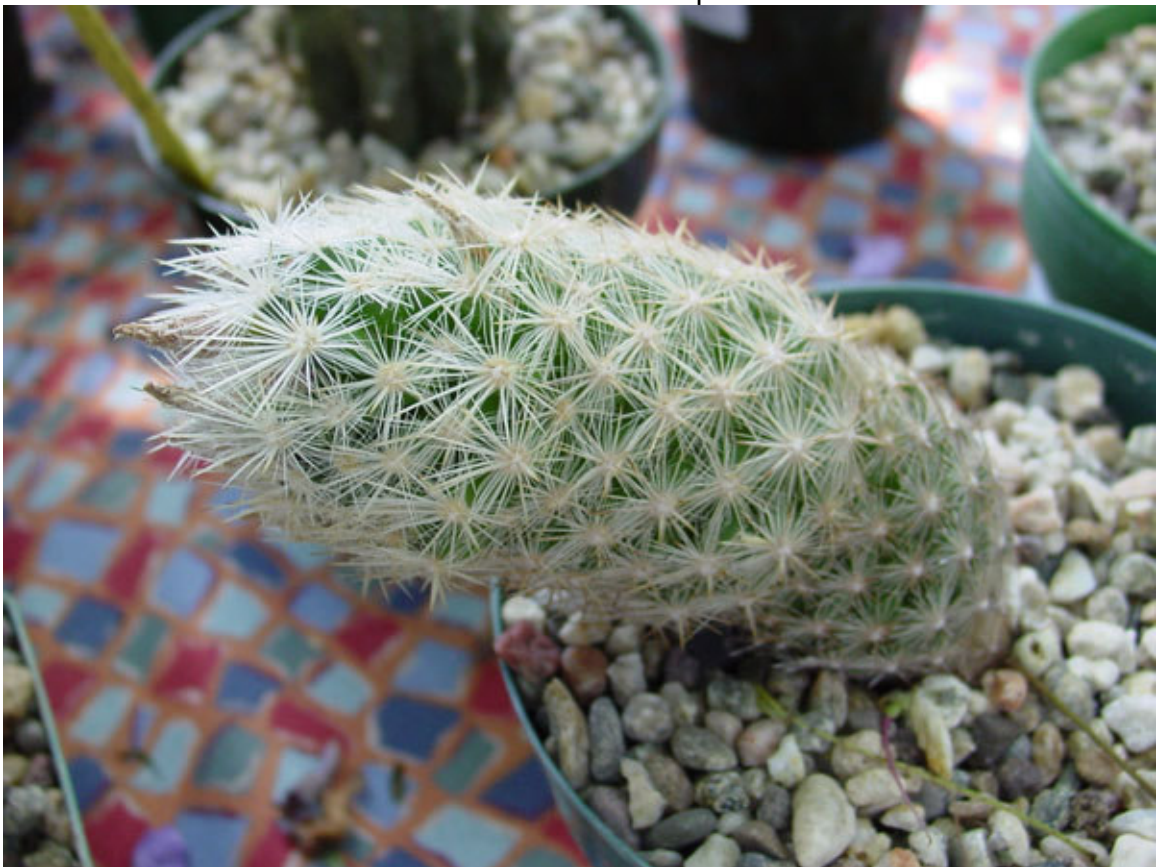

Escobaria missouriensis

Escobaria sneedii

Escobaria sneedii subsp. *Leei*

Escobaria vivipara

Escobaria zilziana

Escobaria tuberculosa

Escontria chiotilla

Espostoa blossfeldiorum

Espostoa guentheri

Espostoa lanata

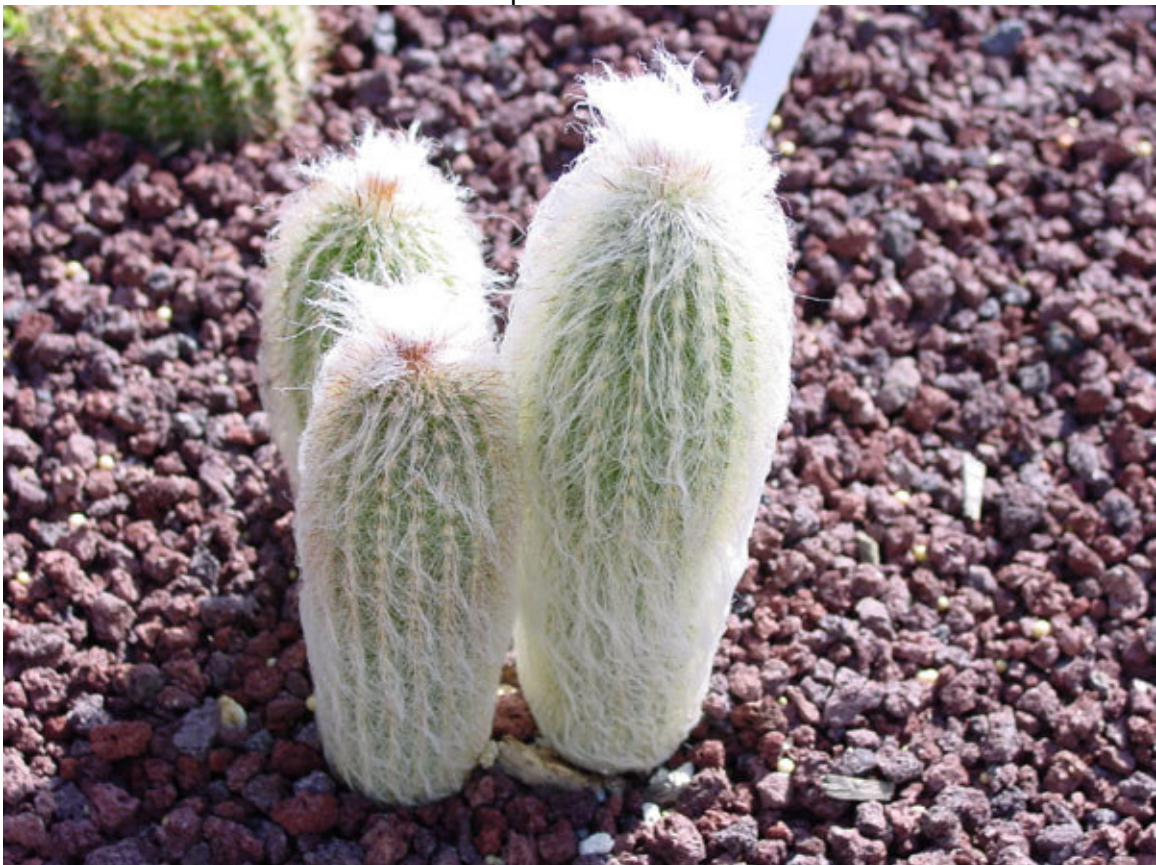

Espostoa melanostele

Espostoa mirabilis

Espostoa ritteri

Espostoa senilis

Espostoopsis dybowskii

Eulychnia acida

Eulychnia castanea

Ferocactus alamosanus

Ferocactus chrysacanthus

Ferocactus cylindraceus

Ferocactus diguetii

Ferocactus echidne

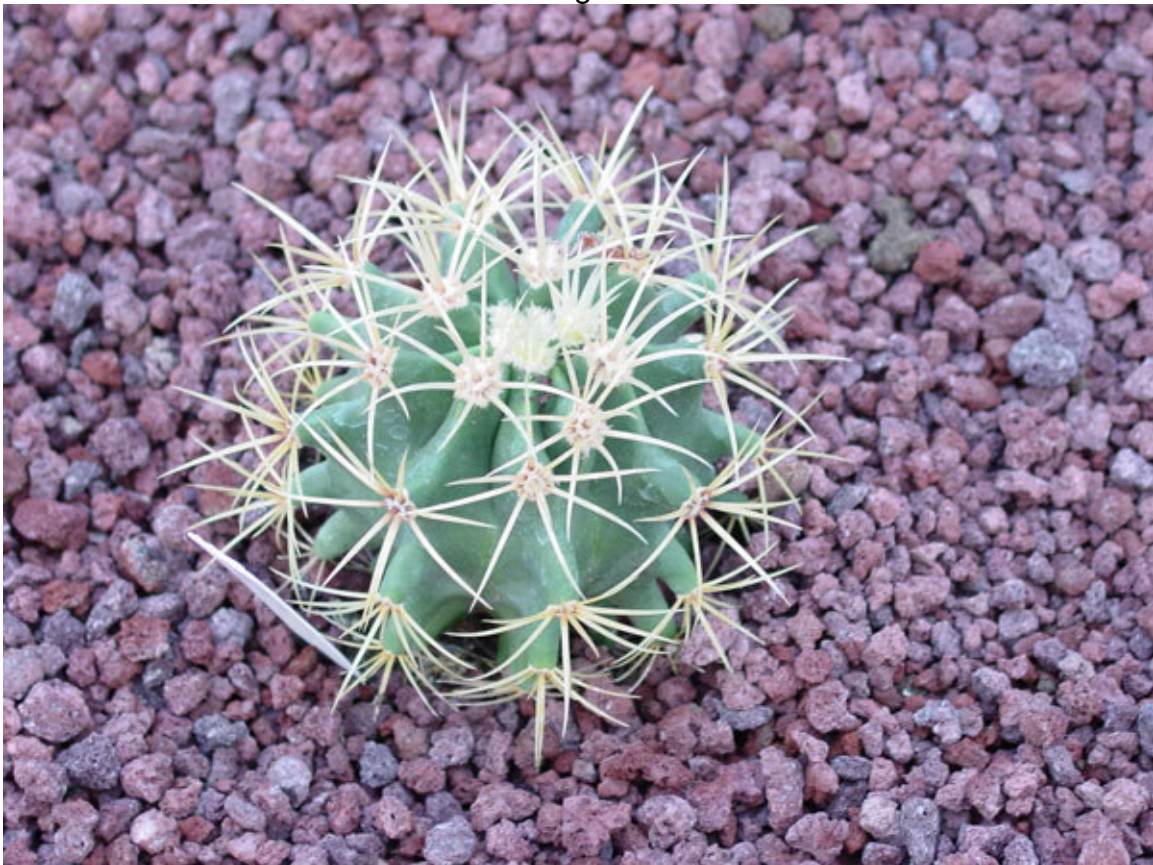

Ferocactus emoryi

Ferocactus fordii

Ferocactus glaucescens

Ferocactus gracilis

Ferocactus hamatacanthus

Ferocactus herrerae

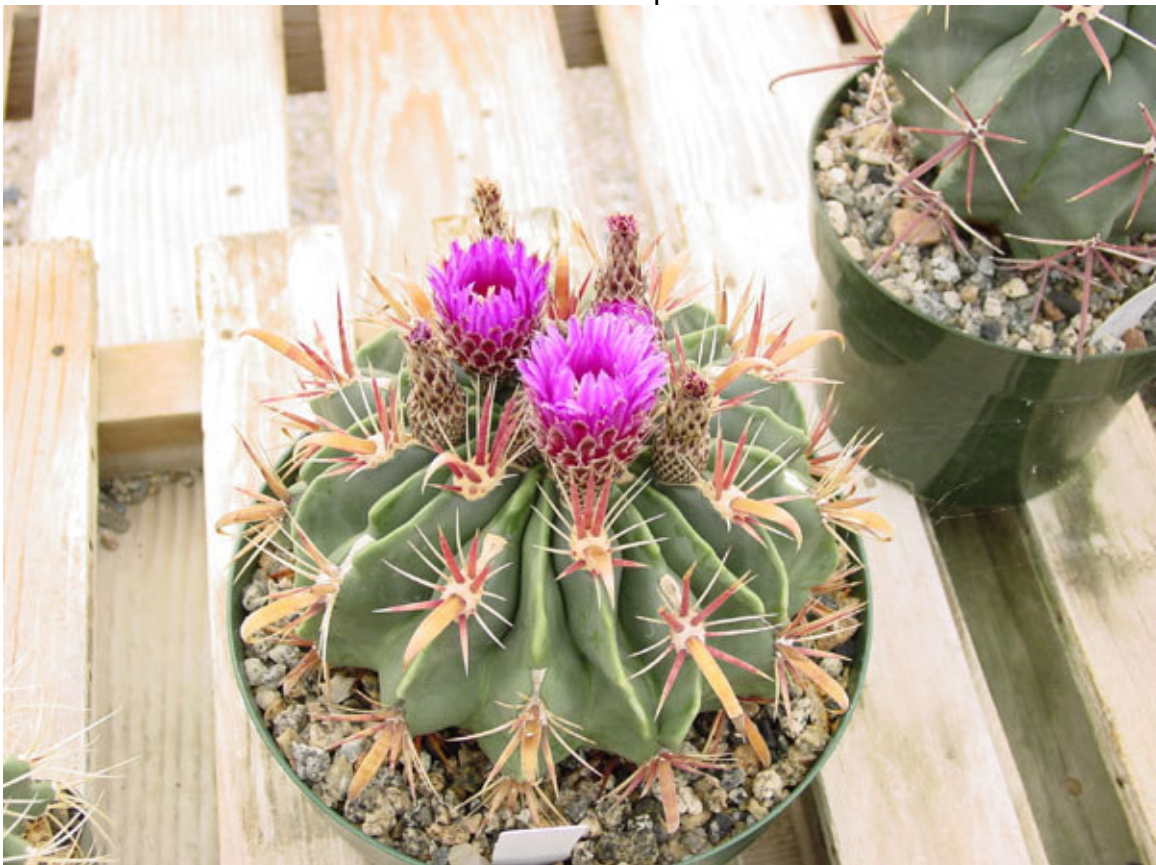

Ferocactus histrix

Ferocactus johnstonianus

Ferocactus latispinus

Ferocactus macrodiscus

Ferocactus peninsulae

Ferocactus pilosus

Ferocactus pottsii

Ferocactus rappenhageni

Ferocactus robustus

Ferocactus santa-maria

Ferocactus townsendianus

Ferocactus viridescens

Ferocactus wislizeni

Ferocactus schwarzii

Frailea castanea

Frailea cataphracta

Frailea chiquitana

Frailea grahliana

Frailea knippeliana

Frailea pygmaea

Frailea schilinzkyana

Geohintonia mexicana

Grusonia aggeria

Grusonia bradtiana

Grusonia clavata

Grusonia emoryi

Grusonia grahamii

Grusonia invicta

Grusonia marenae

Grusonia moelleri

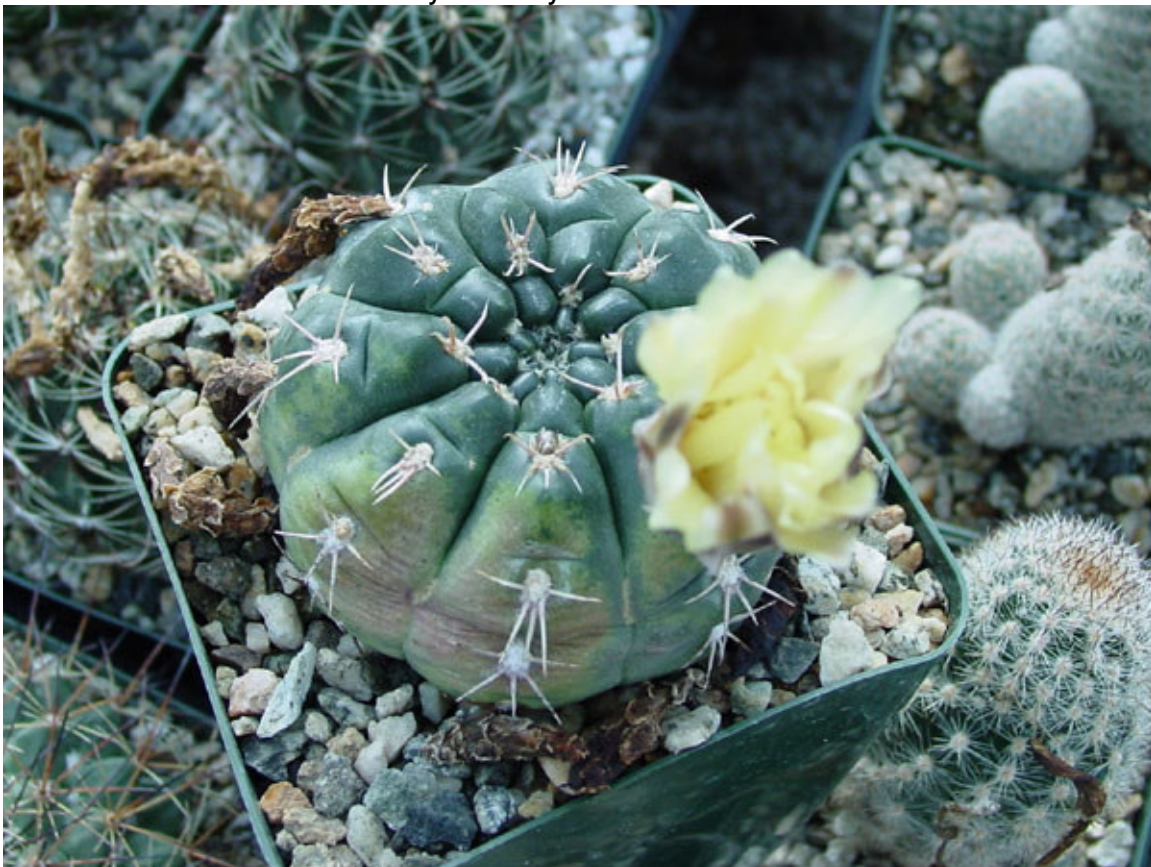

Grusonia pulchella

Grusonia schottii

Gymnocalycium andreae

Gymnocalycium anisitsii

Gymnocalycium baldianum

Gymnocalycium bodenbenderianum

Gymnocalycium bruchii

Gymnocalycium buenekeri

Gymnocalycium calochlorum

Gymnocalycium capillaense

Gymnocalycium chiquitanum

Gymnocalycium delaetii

Gymnocalycium denudatum

Gymnocalycium eurypleurum

Gymnocalycium horstii

Gymnocalycium hossei

Gymnocalycium hybopleurum

Gymnocalycium marsoneri

Gymnocalycium mesoptamicum

Gymnocalycium mihanovichii

Gymnocalycium monvillei

Gymnocalycium mostii

Gymnocalycium mucidum

Gymnocalycium obductum

Gymnocalycium ochoteranae

Gymnocalycium ochoterenae subsp. *Vatteri*

Gymnocalycium pflanzii

Gymnocalycium quehlianum

Gymnocalycium ragonesei

Gymnocalycium riojense

Gymnocalycium saglionis

Gymnocalycium schickendantzii

Gymnocalycium schroederianum

Gymnocalycium spegazzinii

Gymnocalycium spegazzinii subsp. *Cardenasianum*

Gymnocalycium stellatum

Gymnocalycium stenopleurum

Gymnocalycium strigianum

Gymnocalycium tillianum

Gymnocalycium uruguayense

Haageocereus versicolor

Haageocereus pseudomelanostele

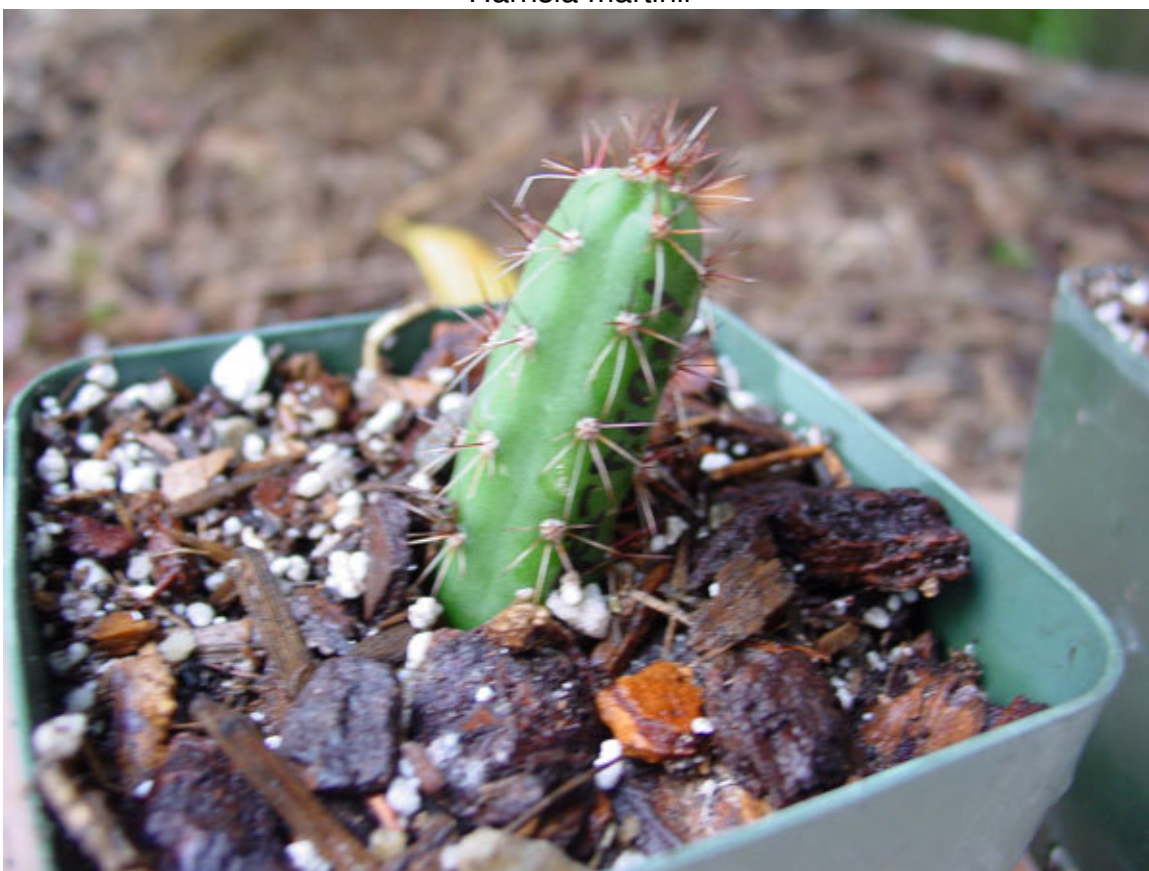

Harrisia fernowii

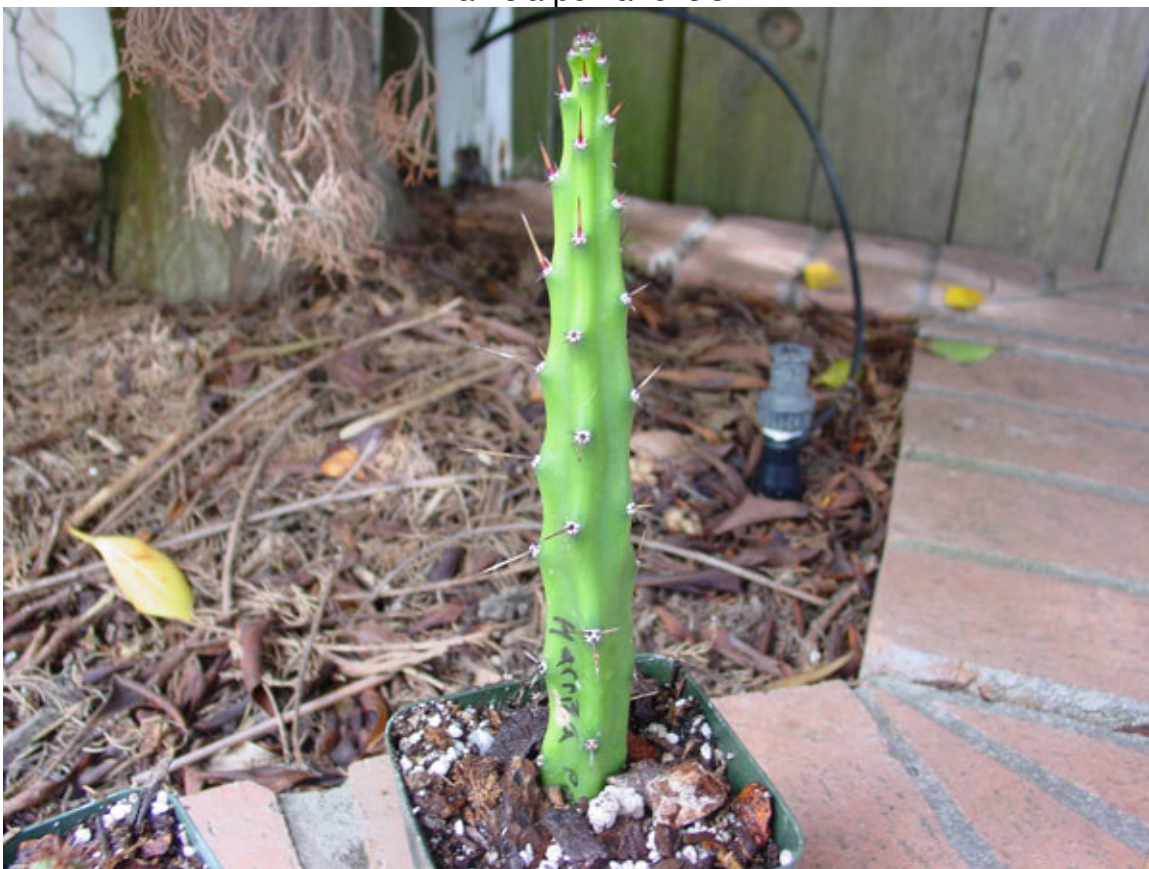

Harrisia jusbertii

Harrisia martinii

Harrisia pomanensis

Harrisia tetraacantha

Hatiora salicornioides

Hatiora x graeseri

Hylocereus bronxensis

Hylocereus costaricensis

Hylocereus ocamponis

Hylocereus polyrhizus

Hylocereus purpusii

Hylocereus trigonus

Hylocereus undatus

Isolatocereus dumortieri

Lepismium bolivianum

Lepismium crenatum

Lepismium cruciforme

Lepismium houlettianum

Lepismium monacanthum

Leuchtenbergia principis

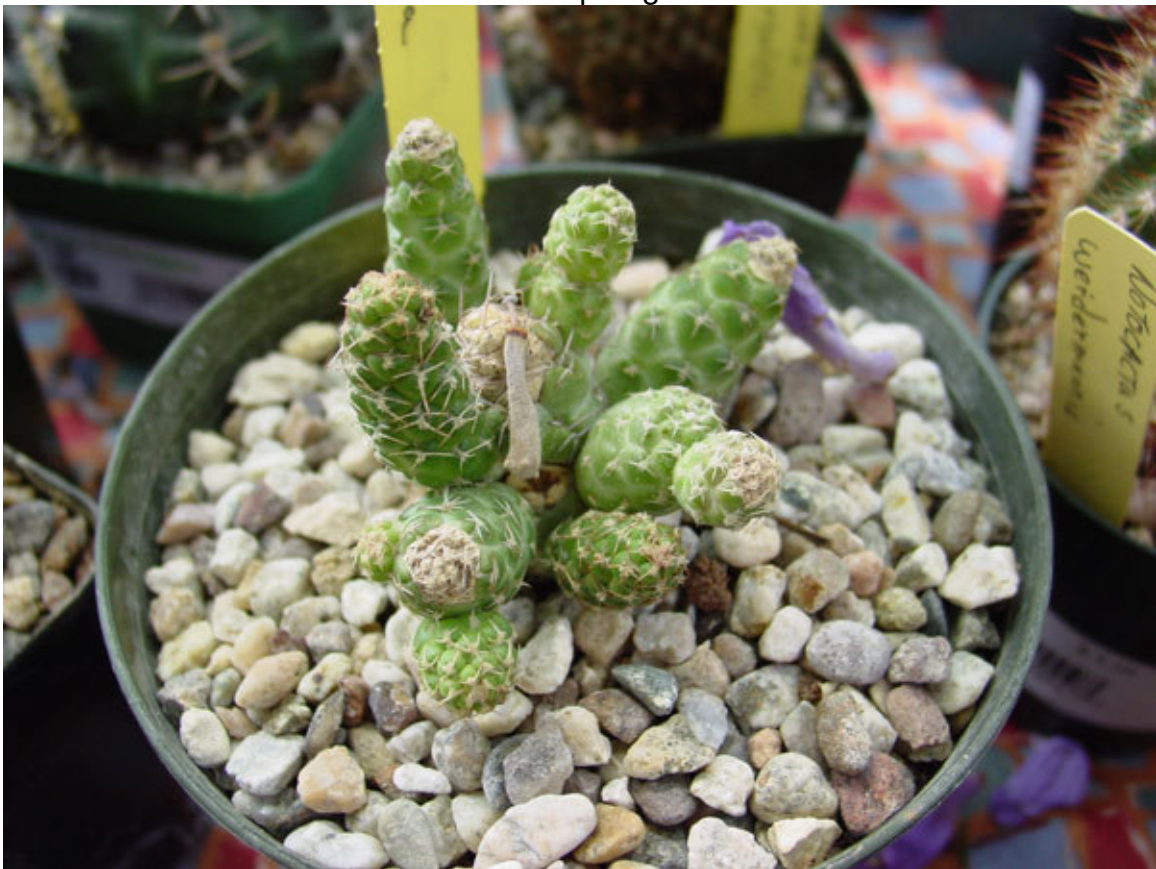

Lophophora diffusa

Lophophora williamsii

Maihuenia patagonica

Maihueniopsis clavarioides

Maihueniopsis glomerata

Maihueniopsis subterranea

Mammillaria albicoma

Mammillaria albilanata

Mammillaria amajacensis

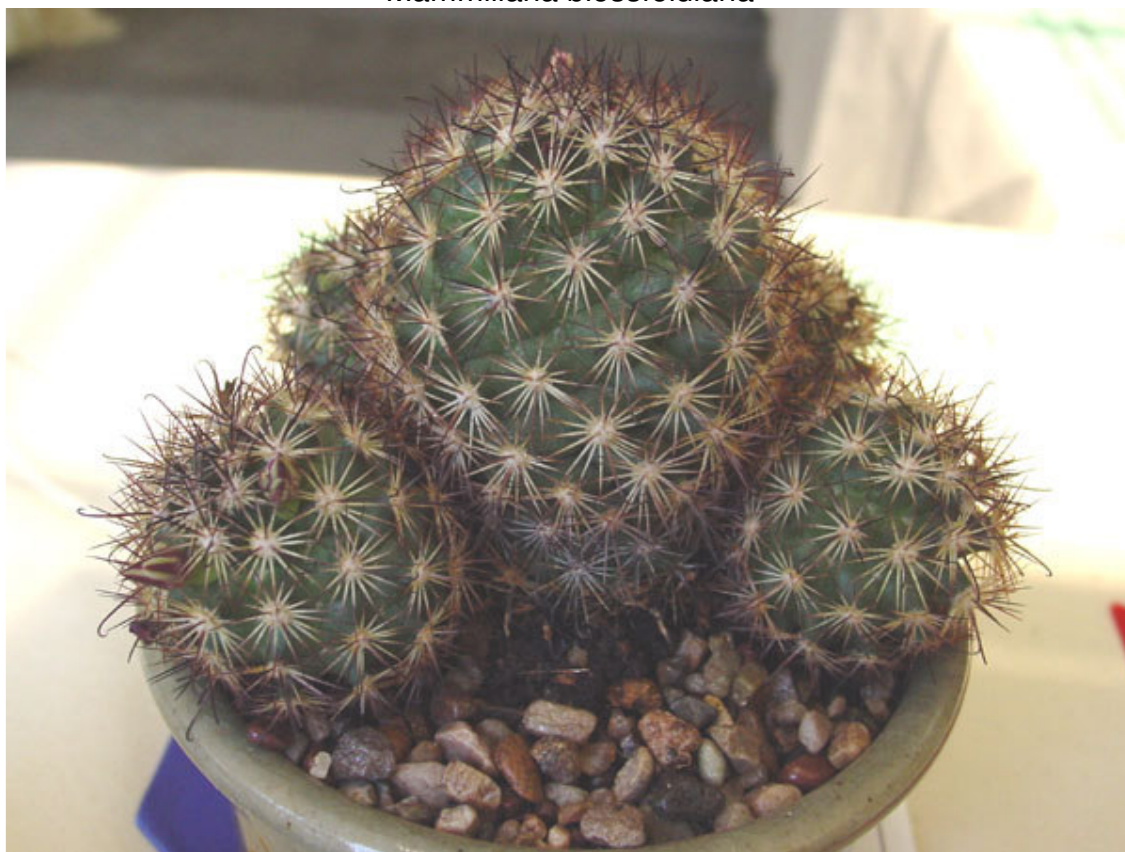

Mammillaria angelensis

Mammillaria backebergiana

Mammillaria blossfeldiana

Mammillaria bocasana

Mammillaria bombycina

Mammillaria boolii

Mammillaria canelensis

Mammillaria carmenae

Mammillaria carretii

Mammillaria chionocephala

Mammillaria coahuilensis

Mammillaria columbiana

Mammillaria compressa

Mammillaria crinita

Mammillaria crucigera

Mammillaria decipiens

Mammillaria decipiens subsp. *comptotricha*

Mammillaria dioica

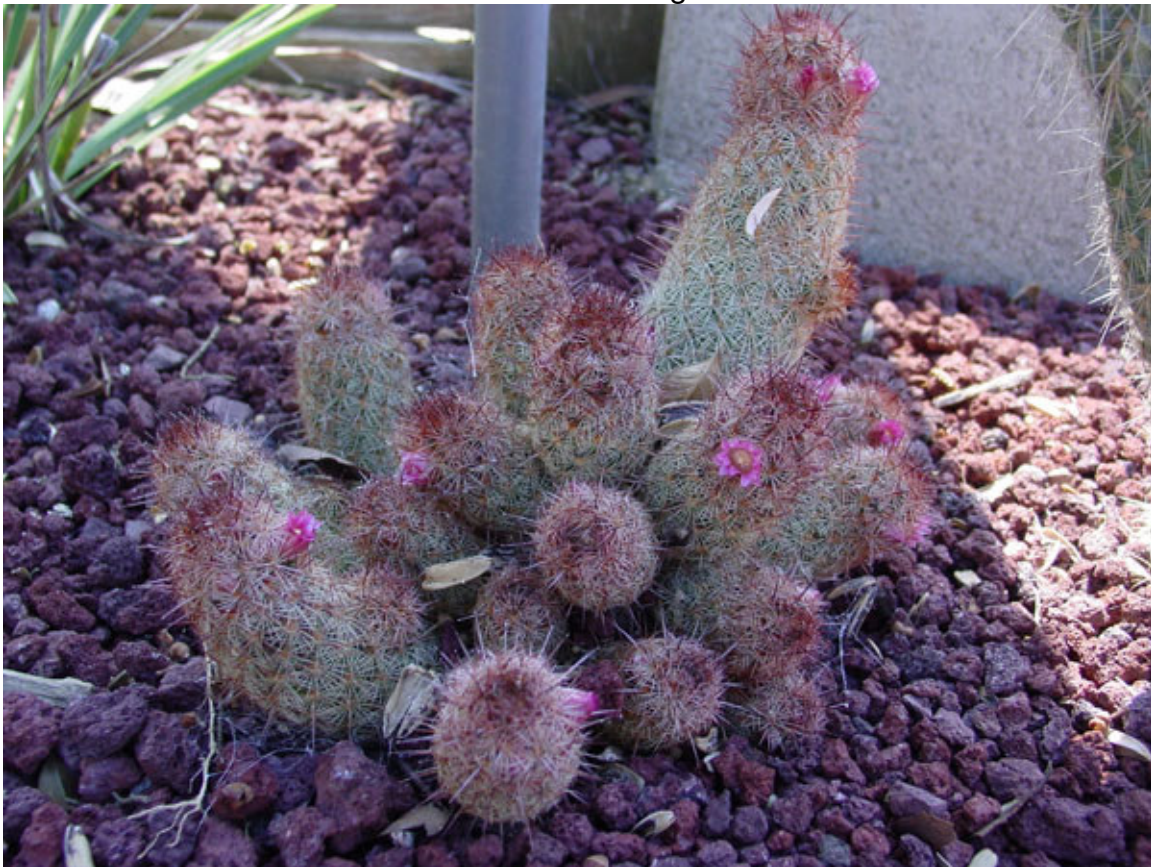

Mammillaria discolor

Mammillaria dixanthocentron

Mammillaria elongata

Mammillaria formosa

Mammillaria fraileana

Mammillaria gemnispina

Mammillaria gigantea

Mammillaria glassii

Mammillaria glochidiata

Mammillaria grahamii

Mammillaria grusonii

Mammillaria guelzowiana

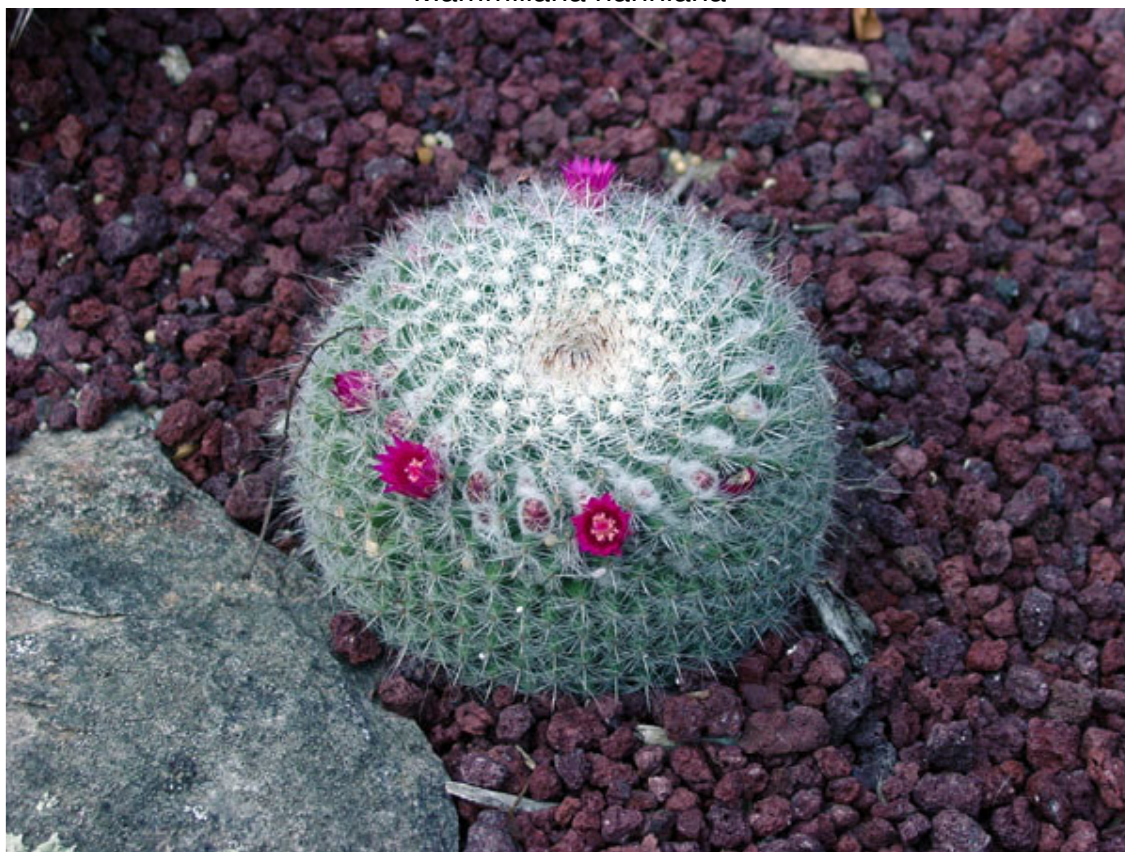

Mammillaria guerreronis

Mammillaria haageana

Mammillaria hahniana

Mammillaria hernandezii

Mammillaria herrerae

Mammillaria hertrichiana

Mammillaria huitzilopochtli

Mammillaria humboldtii

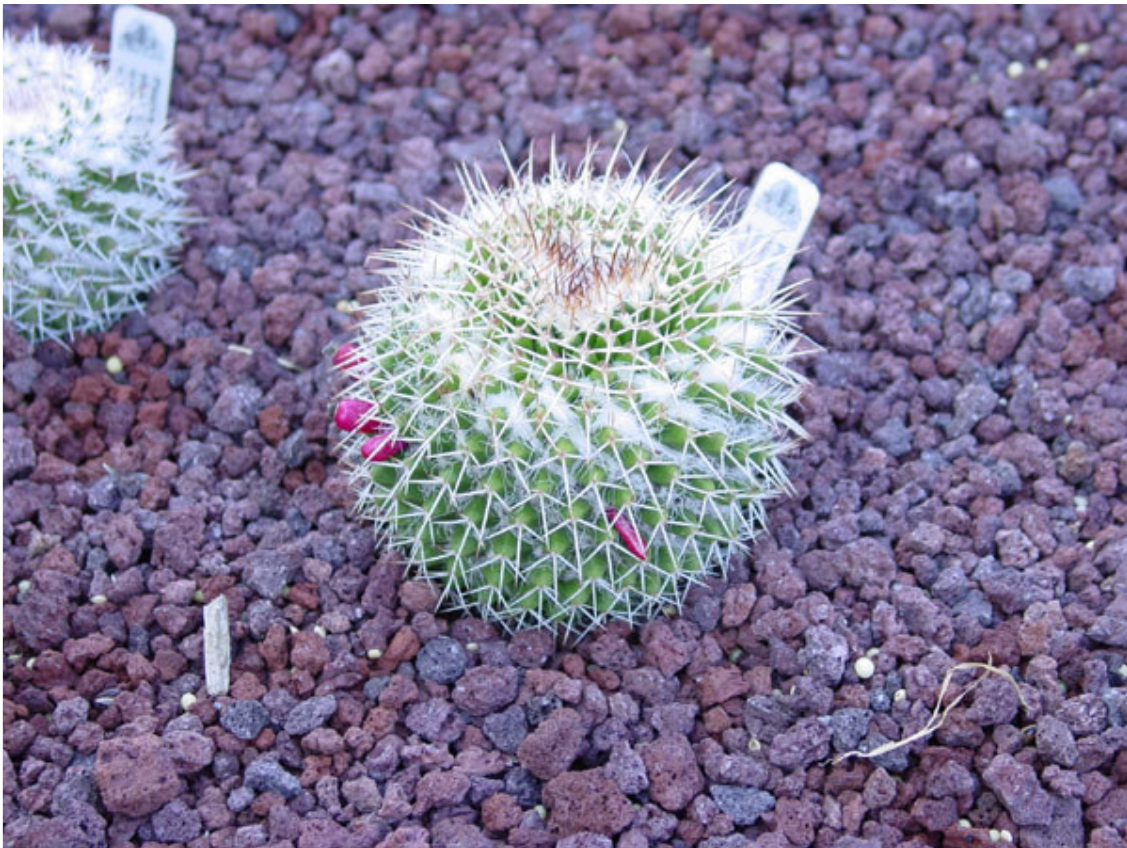

Mammillaria hutchisoniana subsp. *Louisae*

Mammillaria johnstonii

Mammillaria karwinskiana

Mammillaria karwinskiana subsp. *Collinsii*

Mammillaria klissingiana

Mammillaria krameri

Mammillaria lasiacantha

Mammillaria lauii subsp. *Subducta*

Mammillaria lenta

Mammillaria longiflora subsp. *Stamperfi*

Mammillaria longimamma

Mammillaria luethyi

Mammillaria magnifica

Mammillaria magnimamma

Mammillaria mainiae

Mammillaria marksiana

Mammillaria matudae

Mammillaria melaleuca

Mammillaria melanocentra

Mammillaria mercadensis

Mammillaria meyranii

Mammillaria microhelia

Mammillaria miegiana

Mammillaria moelleriana

Mammillaria muehlenpfordtii

Mammillaria multidigitata

Mammillaria mystax

Mammillaria nivosa

Mammillaria nunezii

Mammillaria parkinsonii

Mammillaria pectinifera

Mammillaria perbella

Mammillaria perezdelarosae

Mammillaria petrophila subsp. *Baxteriana*

Mammillaria petterssonii

Mammillaria plumosa

Mammillaria polythele

Mammillaria rekoii subsp. *Leptacantha*

Mammillaria rhodantha

Mammillaria saboae

Mammillaria sanchez-mejoradae

Mammillaria sartorii

Mammillaria schiedeana

Mammillaria schumannii

Mammillaria schwarzii

Mammillaria scrippsiana

Mammillaria sempervivi

Mammillaria sonorensis

Mammillaria spinosissima

Mammillaria standleyi

Mammillaria supertexta

Mammillaria surculosa

Mammillaria tayloriorum

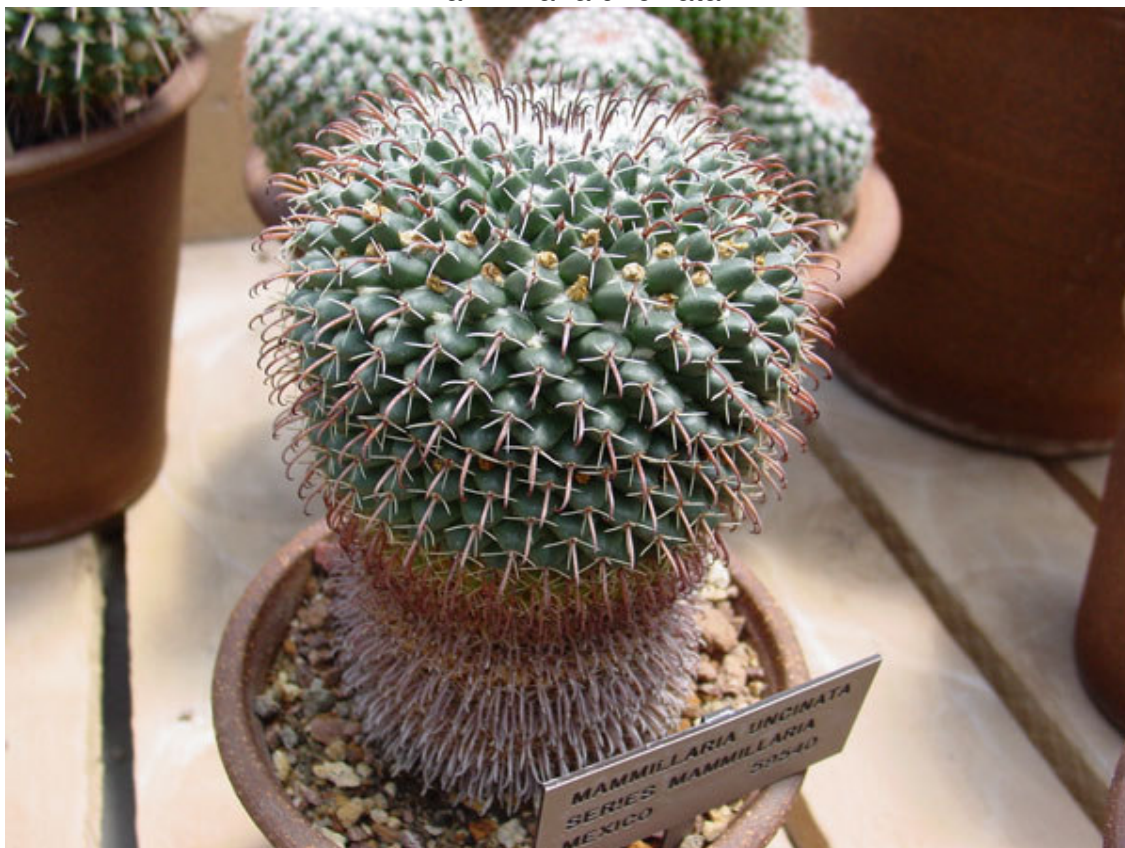

Mammillaria tetrancistra

Mammillaria theresae

Mammillaria uncinata

Mammillaria vetula subsp. *Gracilis*

Mammillaria voburnensis subsp. *Eichlamii*

Mammillaria winterae

Mammilloydia candida

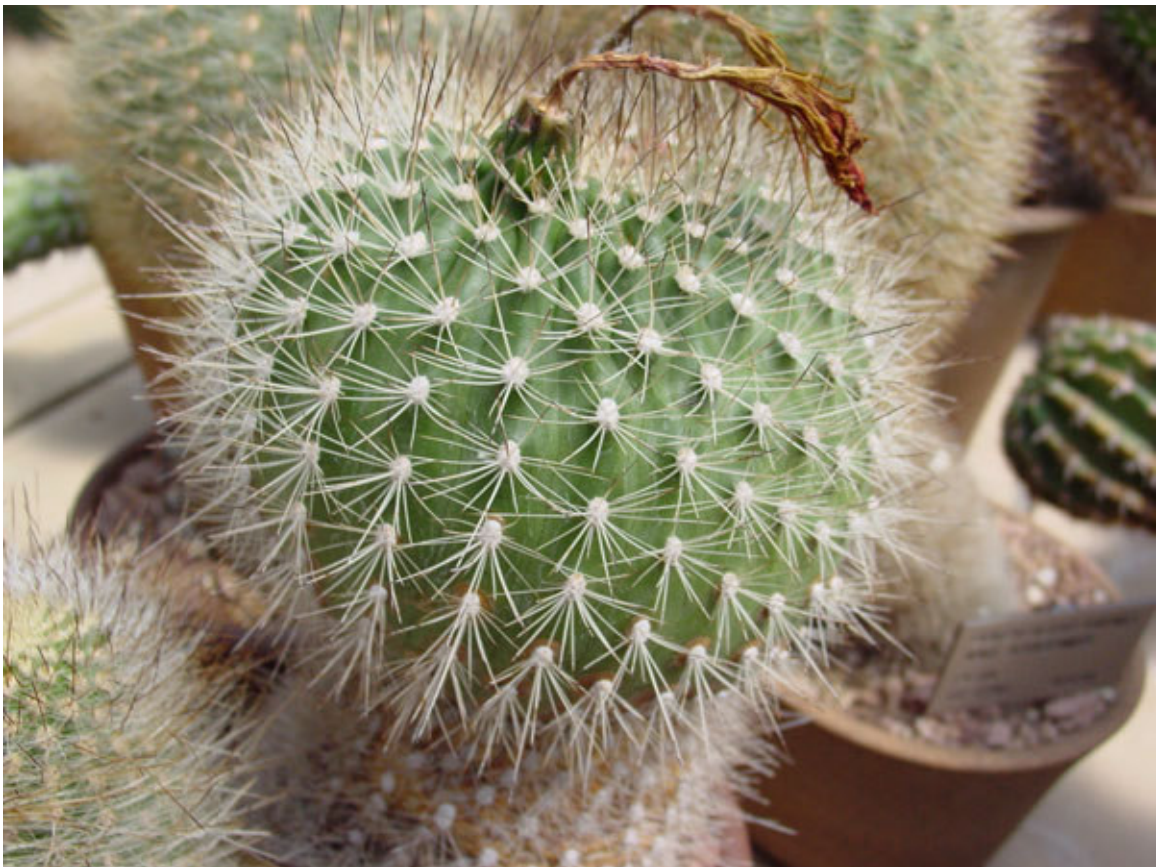

Matucana aurantiaca

Matucana aureiflora

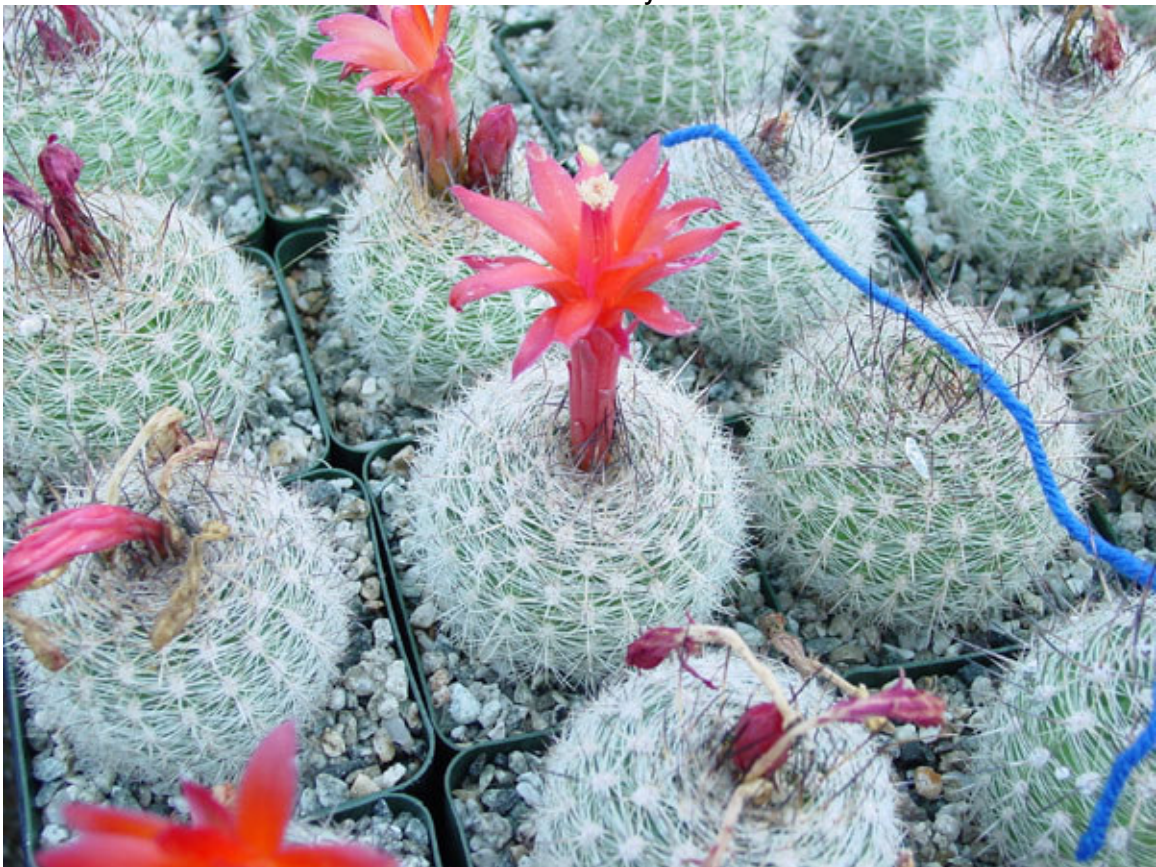

Matucana formosa

Matucana grandiflora

Matucana haynei

Matucana huagalensis

Matucana intertexta

Matucana kahnii

Matucana madisoniorum

Matucana oreodoxa

Matucana paucicostata

Matucana ritteri

Matucana tuberculata

Matucana weberbaueri

Melocactus azureus

Melocactus bahiensis

Melocactus conoideus

Melocactus curvispinus

Melocactus ernestii

Melocactus intortus

Melocactus lanssensianus

Melocactus lemairei

Melocactus levitistatus

Melocactus macracanthos

Melocactus matanzanus

Melocactus mazelianus

Melocactus oreas

Melocactus pachycanthus

Melocactus peruvianus

Melocactus salvadorensis

Melocactus schatzlii

Melocactus violaceus

Melocactus zehntneri

Micranthocereus auriazureus

Micranthocereus dolichospermaticus

Micranthocereus estevesii

Micranthocereus polyanthus

Micranthocereus purpureus

Micranthocereus violaciflorus

Mila caespitosa

Myrtillocactus cochal

Myrtillocactus geometrizans

Myrtillocactus schenckii

Neobuxbaumia euphorbioides

Neobuxbaumia polylopha

Neobuxbaumia scoparia

Neolloydia conoidea

Neoraimondia arequipensis

Neoraimondia herzogiana

Obregonia denegrii

Opuntia aciculata

Opuntia basilaris

Opuntia bravoana

Opuntia chaffeyi

Opuntia cochenillifera

Opuntia durangensis

Opuntia decumbens

Opuntia dejecta

Opuntia dillenii

Opuntia echios var. *Zacana*

Opuntia ellisiana

Opuntia engelmannii

Opuntia ficus-indica

Opuntia fragilis

Opuntia gosseliniana

Opuntia helleri

Opuntia leucotricha

Opuntia littoralis

Opuntia microdasys

Opuntia sulfurea

Oreocereus celsianus

Oreocereus doelzianus

Oreocereus hempelianus

Oreocereus leucotrichus

Oreocereus trollii

Oroya borchersii

Oroya peruviana

Ortegocactus macdougallii

Pachycereus gatesii

Pachycereus gaumeri

Pachycereus hollianus

Pachycereus marginatus

Pachycereus pecten-aboriginum

Pachycereus pringlei

Pachycereus weberi

Parodia (Notocactus) aureicentra

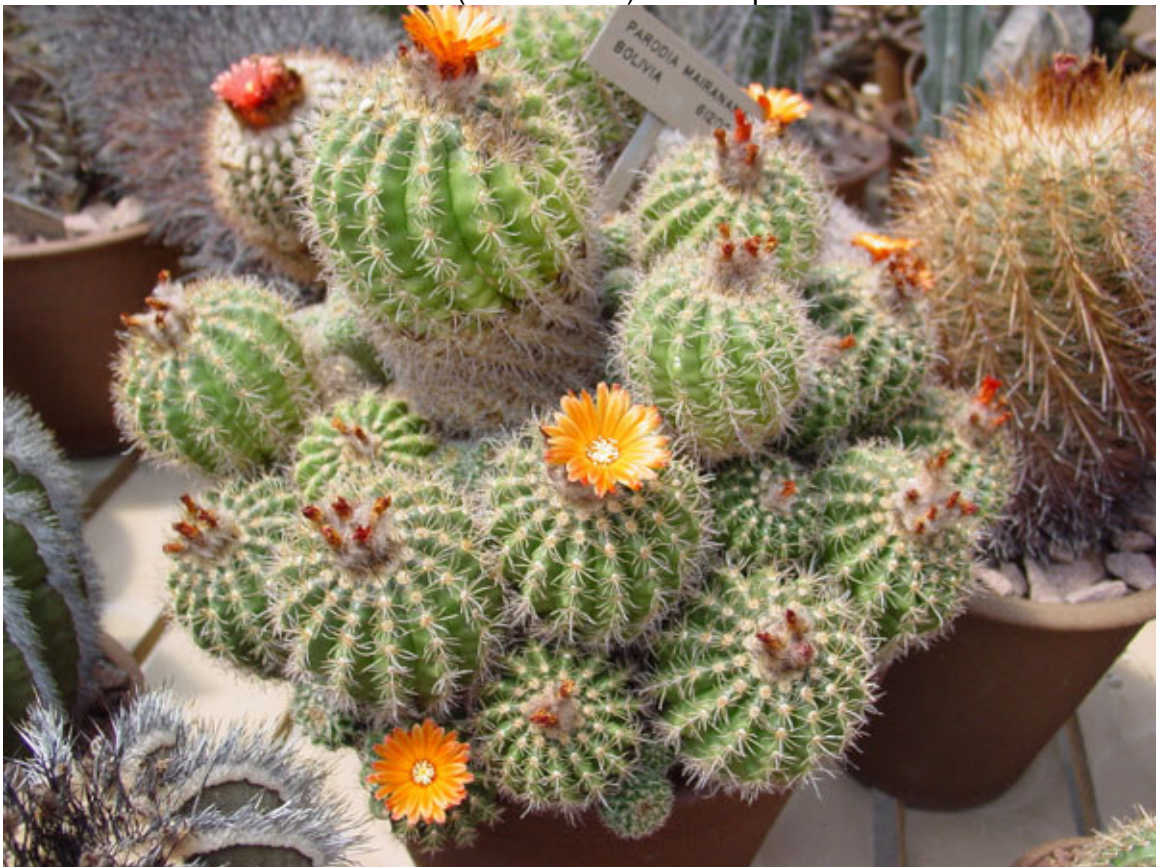

Parodia (Notocactus) buiningii

Parodia (Notocactus) chrysacantion

Parodia (Notocactus) comarapana

Parodia (Notocactus) commutans

Parodia (Notocactus) concinna

Parodia (Notocactus) crassigibba

Parodia (Notocactus) curvispina

Parodia (Notocactus) erubescens

Parodia (Notocactus) haselbergii subsp. *Haselbergii*

Parodia (Notocactus) hausteiniana

Parodia (Notocactus) herteri

Parodia (Notocactus) horstii

Parodia (Notocactus) langsdorfii

Parodia (Notocactus) leninghausii

Parodia (Notocactus) maassii

Parodia (Notocactus) magnifica

Parodia (Notocactus) mammulosa subsp. *Submammulosa*

Parodia (Notocactus) microsperma subsp. *Microsperma*

Parodia (Notocactus) ocampo

Parodia (Notocactus) ottonis

Parodia (Notocactus) penicillata

Parodia (Notocactus) ritteri

Parodia (Notocactus) rudibuenekeri

Parodia (Notocactus) rutilans

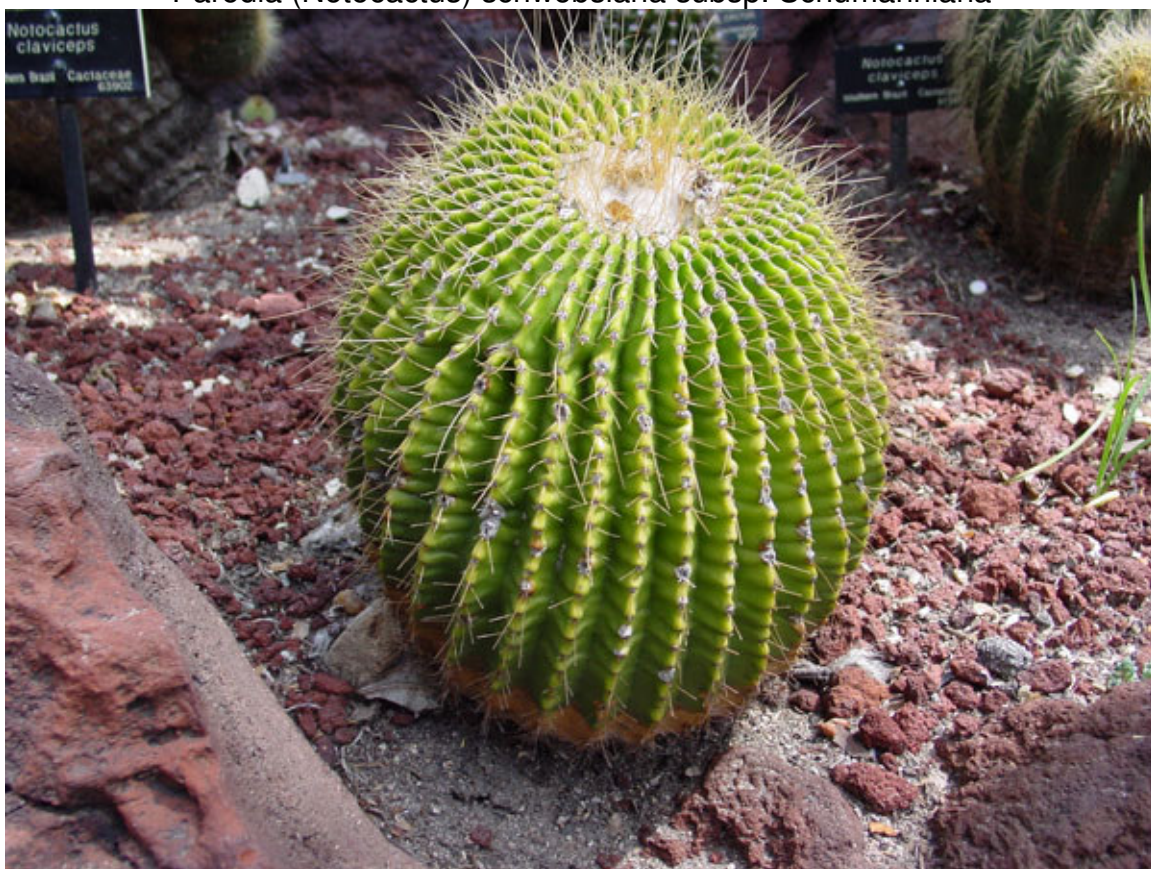

Parodia (Notocactus) schwebsiana

Parodia (Notocactus) schwebsiana subsp. *Claviceps*

Parodia (Notocactus) schwebsiana subsp. *Schumanniana*

Parodia (Notocactus) scopa

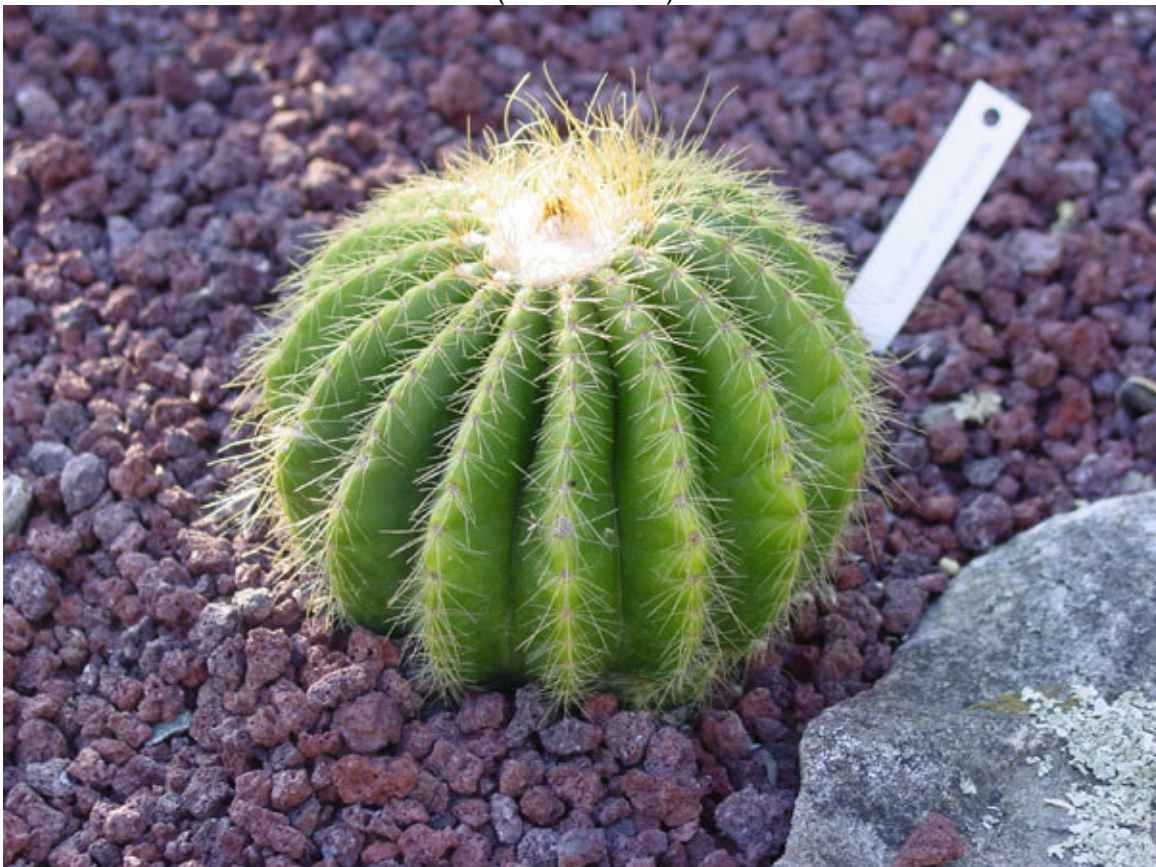

Parodia (Notocactus) scopa subsp. *Succinea*

Parodia (Notocactus) sellowii

Parodia (Notocactus) warasii

Parodia (Notocactus) werdermanniana

Parodia (Notocactus) wernerii

Pediocactus despainii

Pediocactus simpsonii

Pelecyphora aselliformis

Pelecyphora strobiliformis

Peniocereus castellae

Peniocereus fosterianus

Peniocereus marianus

Peniocereus serpentinus

Pereskia aculeata

Pereskia bahiensis

Pereskia lychnidiflora

Pereskia horrida

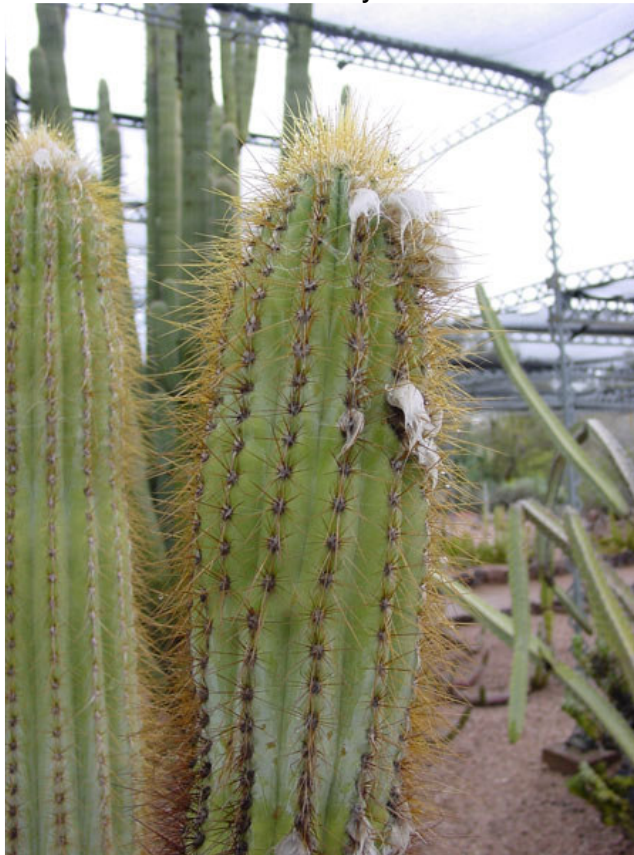

Pereskia zinniiflora

Pereskiaopsis porteri

Pilosocereus chrysacanthus

Pilosocereus glaucochrous

Pilosocereus gounellei

Pilosocereus magnificus

Pilosocereus pachycladus

Pilosocereus royenii

Polaskia chende

Praecereus saxicola

Pterocactus australis

Pterocactus hickenii

Pterocactus tuberosus

Pygmaeocereus bylesianus

Quiabentia verticillata

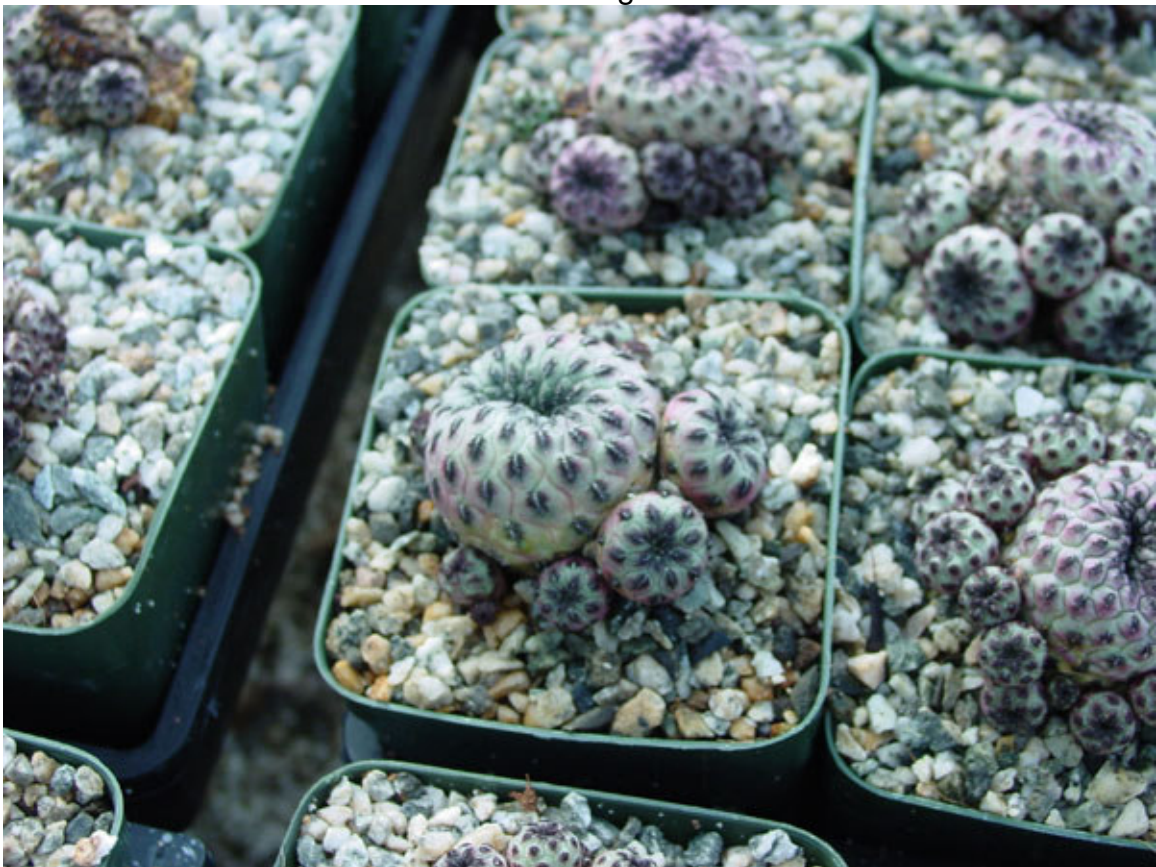

Rauhocereus riosaniensis

Rebutia arenacea

Rebutia canigueralii

Rebutia fabrisii

Rebutia fiebrigii

Rebutia heliosa

Rebutia marsoneri

Rebutia mentosa

Rebutia narvaecensis

Rebutia neocumingii

Rebutia neumanniana

Rebutia perplexa

Rebutia spegazziniana

Rebutia steinbachii

Rhipsalis baccifera subsp. *Horrida*

Rhipsalis cereoides

Rhipsalis crispata

Rhipsalis mesembryanthemoides

Rhipsalis micrantha

Rhipsalis neves-armondii

Rhipsalis occidentalis

Rhipsalis pachyptera

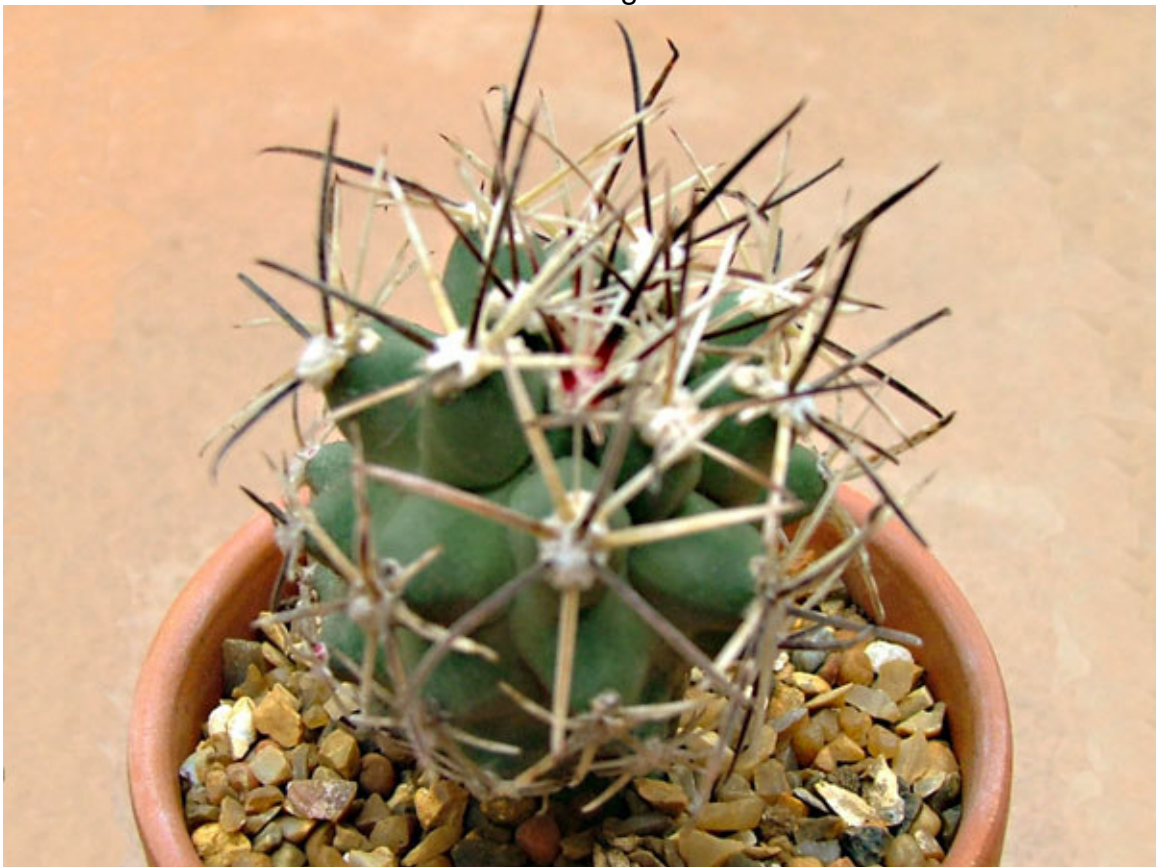

Rhipsalis teres

Schlumbergera truncata

Sclerocactus glaucus

Sclerocactus papyracanthus

Sclerocactus scheeri

Sclerocactus spinosior

Sclerocactus uncinatus

Selenicereus anthonyanus

Selenicereus chrysocardium

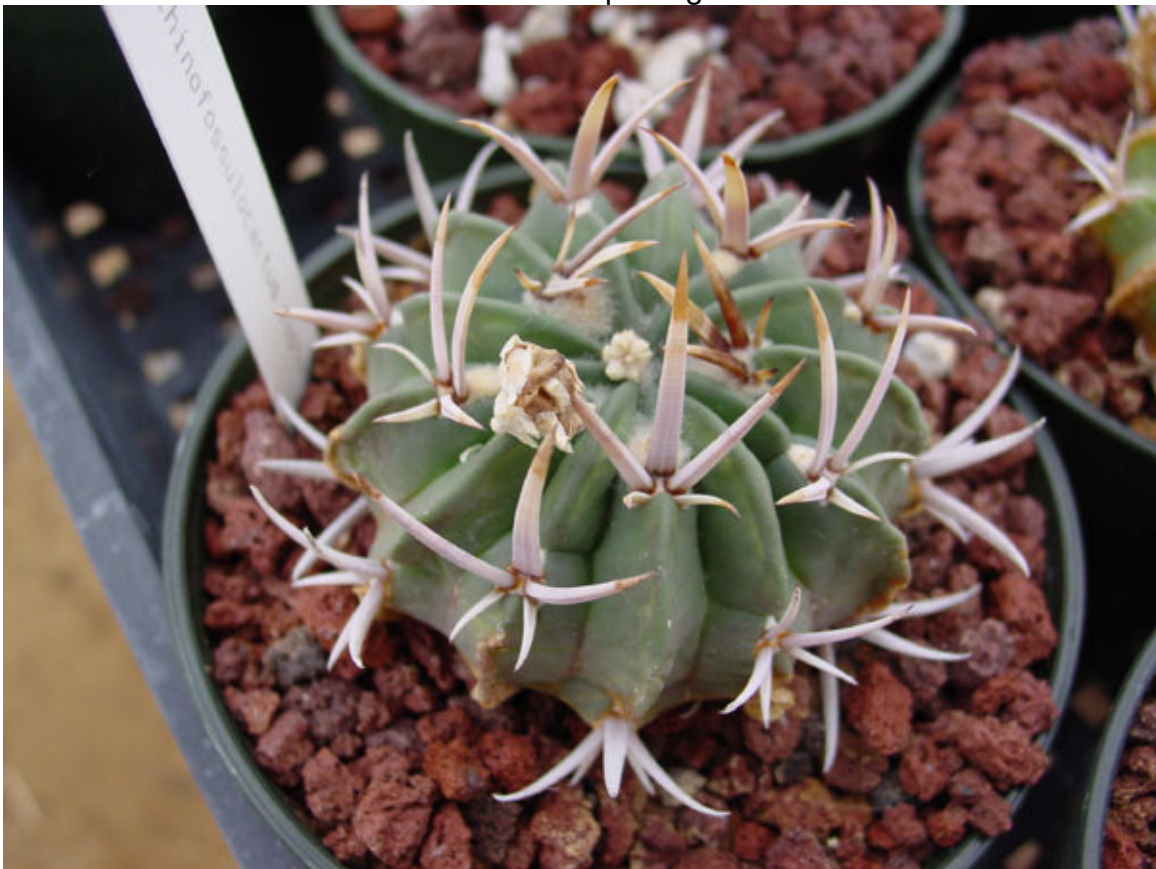

Selenicereus megalanthus

Selenicereus wercklei

Stenocactus coptonogonus

Stenocactus crispatus

Stenocactus multicostatus

Stenocactus obvallatus

Stenocactus ochoterenanus

Stenocactus phyllacanthus

Stenocactus vaupelianus

Stenocereus alamosensis

Stenocereus aragonii

Stenocereus gummosus

Stenocereus montanus

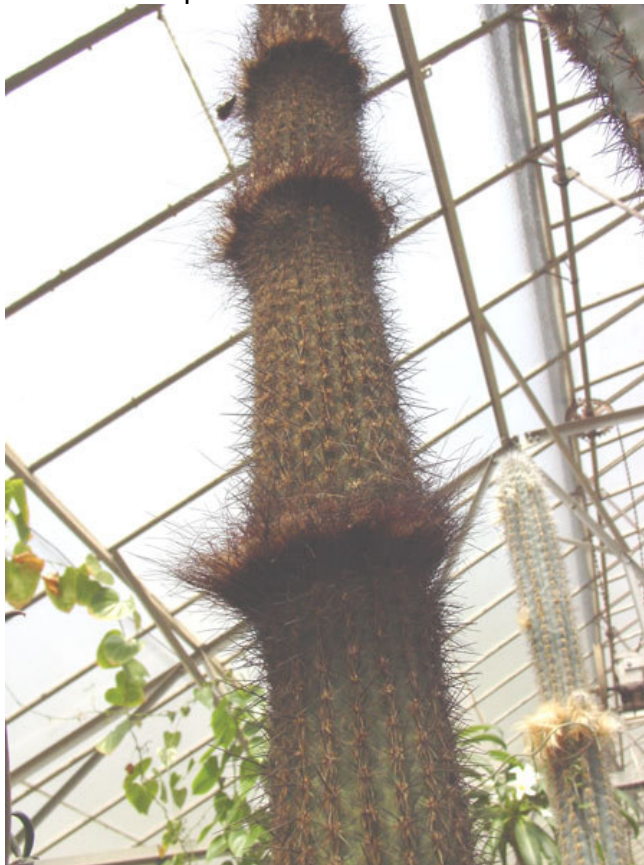

Stenocereus stellatus

Stenocereus thurberi

Stephanocereus leucostele

Stetsonia coryne

Strombocactus disciformis

Tacinga palmadora

Tephrocactus aoracanthus

Tephrocactus articulatus

Tephrocactus weberi

Thelocactus conothelos

Thelocactus lausseri

Thelocactus maddowellii

Thelocactus rinconensis

Thelocactus setispinus

Thelocactus tulensis

Tunilla corrugata

Tunilla erectoclada

Tunilla soehrensii

Turbinicarpus alonsoi

Turbinicarpus beguinii

Turbinicarpus hoferi

Turbinicarpus knuthianus

Turbinicarpus lophophoroides

Turbinicarpus pseudomacrochele

Turbinicarpus pseudopectinatus

Turbinicarpus subterraneus

Turbinicarpus valdezianus

Turbinicarpus ysabelae

Uebelmannia gummifera

Uebelmannia pectinifera

Weberbauerocereus johnsonii
